

Ten Women Vie For Title, Miss Antioch

Ten young women will compete for the title of Miss Antioch at the pageant to be held on Thursday, July 3, beginning at 7 p.m. in Williams Park.

Contrary to a previous report, the traditional swimsuit competition will be an integral part of this year's pageant just as it has been in nearly every beauty pageant in the country. The young ladies will also model evening gowns and sports wear.

New to the pageant will be the Little Miss competition for girls between the ages of six and eight who will model party dresses and play clothes.

Competing in the Miss Antioch Pageant

will be: Deanna Borla, 16, daughter of Tom and Bonnie Borla; Christi Cermak, 17, daughter of Charles Cermak and Linda Bucar; Toinette Flam, 16, daughter of Toinette and Daniel McFarlane; Barbara Foster, 20, daughter of Adrienne Foster; Christi Hoskins, 18, daughter of Pat Richards; Dawn Kamradt, 17, daughter of Ray and Arlene Kamradt; Vicki Knourek, 18, daughter of Bob and Liz Knourek; Tamara Krause, 17, daughter of Evelyn Krause; Debbie Sedlbauer, 19, daughter of Thomas Sedlbauer and the late Judith Sedlbauer; and Karin Wilson, 17, daughter of Lester and Virginia Wilson. (See pictures of all contestants on Page 13A).

After the winners of the Miss Antioch and the Little Miss Pageants have been crowned, musical entertainment will be provided by Ernie Levas and EPLExpress.

The events of July 3 are a kickoff to a community-wide celebration on the Fourth of July. Events on that day will start with a parade up Main St. beginning at 10 a.m. Recreation, food, and entertainment will be provided throughout the day at Williams Park.

The ever popular firemen's waterfights will start at 1 p.m.

Fireworks will begin at dusk and may be viewed from Williams Park. After the fireworks display, Ernie Levas and EPLExpress will take the stage again and dancing will continue late into the night.

For further information on any of the planned activities, call Glenda Tomaschik, director of parks and recreation, at (312) 395-2160.

Bicycle Winners

Lyons-Ryan Ford took entries from visitors to its booth at the RV, Boat, and Auto show for a drawing for two Schwinn bicycles. The two winners were Ed Bernau and Bob Reband. Attending the presentation were, from left: Steve Labrillo, general manager of Lyons-Ryan; Ed Bernau; Bernice Bernau; Bob Reband; and Ron Van Scoyoc, show coordinator.

It's A Wonderful Life For Brook

by CHARLES JOHNSTON

A young man in a small town yearns for the adventure and excitement that lie beyond the parochial boundaries of the pleasant, but sedate, village in which his parents have raised him. But it is the 1930s and the nation is gripped in the jaws of the worst depression in its history.

Across the country, banks are going under like ducks on an alligator-pond. The young man's father owns a bank. It is in daily peril of becoming the next to be swallowed up.

The father tells his son to go, follow your dream. But the son knows his duty. He tells himself that in a year or so things will be better. Then he can go.

The year turns into two, then three and four. Finally, after five years, things are better. By this time, though, the young man is settled. He stays at the bank for the next 50 years.

It sounds like a plot synopsis for the classic Frank Capra film, "It's A Wonderful Life," but in truth, it is the real life story of Antioch's own Bill Brook. And just like the fic-

tional George Bailey, Brook found, even after walking away from the road of his dreams, that it really is a wonderful life. (Continued on Page 13A)

Bill Brook

Racetrack Will Help Millburn

The proposed racetrack in Old Mill Creek could be a benefit to a Millburn school district.

"It would be a big help to the school district," Millburn Supt. Richard Framke said.

The proposed racetrack to be built by Arlington Park owner Richard Duchossois would help the Millburn district's assessed valuation, Framke said.

"We've lost assessed valuation over the last several years," Framke said.

The proposed racetrack, on 1,700 acres of parts of the Millburn School Dist.

The proposed racetrack, on 1,700 acres of land in Newport Twp., is expected to include: a resort and conference center hotel; a 18-hole golf course and club house; an office-research center; specialty retail space and an equestrian area.

Seek Books

The Antioch Library Friends will sponsor its second annual book sale on Sept. 27. The group is collecting used books and magazines now, though.

Anyone who would like to help the library friends should drop off their used books in the book drop at the Antioch Twp. Library. For more information, call (312) 356-5788.

Historical Society Plans Holiday Open House

The Lakes Region Historical Society will hold its Independence Day Open House on Friday, July 4, from 10 a.m. to 2 p.m. at the society's museum, located at the corner of Depot and Main Sts. in Antioch.

Items from the society's collection will be on display and members of the society will be on hand to accept donations and take memberships. A white elephant sale is planned and gift shop items will be available. Refreshments will be served.

Although a lot of progress has been made on the restoration of the building, erected in 1892, much still needs to be done in preparation for its formal opening. Walter Shepard and his restoration crew will have sign-up sheets out for volunteers.

Anyone who has questions about the society or is interested in getting involved is invited to contact someone at the open house to sign up. Members are reminded that donations of cookies are needed for the open house.

Republicans For Hess?

Several prominent Republicans attended a fundraiser for Democratic County Clerk, Linda Hess. One group enjoying champagne and hors d'oeuvres at the Lake Bluff event included, from left: Suzie Schmidt, Democratic trustee from Lake Villa Twp.; Virginia Harrington, Republican township clerk of Avon; Bill and Gretchen Schalk, prominent Republicans from Warren; and Mike Graham, Republican supervisor of Libertyville Twp. and candidate for county board. —Photo by Charles Johnston

Chrysler-AMC Pact Hinges On \$3 Million Training

by GLORIA DAVIS

After completing negotiations with Local 72, the auto workers union at American Motors Inc., Kenosha, cutting down on job classifications, Chrysler Corp. has signed a preliminary agreement to have 150,000 Chrysler cars built at AMC in Kenosha over the next two years.

There are now 3,800 AMC workers on layoff. If the Chrysler-AMC agreement is finalized to everyone's satisfaction, all but 600 of those laid-off workers will be

recalled to work.

The agreement hinges on whether or not Wisconsin will allocate \$3 million to train AMC workers, used to working on compact cars, to work on Chrysler's mid-size rear-wheel drive vehicles.

Gov. Anthony Earl has already committed himself to calling a special session of the legislature later this month to vote on allocating \$3 million to train 2,900 of these workers to work on the Chrysler automobiles.

Although Chrysler cars have been selling fast and

furiously, AMC sales have dropped as low as 75 percent in the last few months.

Mom's Network

Victory Hospital's Mothers' Network support group will meet at 7:30 p.m., Thursday, July 10, at the Victory Immediate Care Center, 3477 Grand Ave., Gurnee. Mothers meet regularly to share ideas and information with other mothers. Registration is not required. For information, call (312) 360-4244.

Forest Preserve Wins Grant For Grant Twp.

The Lake County Forest Preserve Dist. was awarded a federal grant in the amount of \$200,000 from the Illinois Department of Conservation.

The appropriation distributed through the State of Illinois Land and Water Conservation Fund will be used for restoration projects at the Grant Forest Preserve (east of Fox Lake) and Greenbelt Forest Preserve in Waukegan Township.

Grant Forest Preserve, which officially opened with a dedication ceremony on June 22 is in its second year of development. The grant funding will aid in future plans which include the addition of an access road, parking, group picnic areas and native land restoration. The area will allow for groups of

up to 200 people to picnic, hike, jog and observe the rare natural areas which include a high quality prairie and bog which have been dedicated to the Illinois Nature Preserve System.

Donald Strenger, president of the Lake County Forest Preserve District, said, "The District will be able to implement plans for providing recreational day-use areas to urban and economically disadvantaged people and communities. More people are being exposed to the multitude of outdoor recreational opportunities and, at the same time, the native landscape restoration will help improve animal habitation, diverse plant communities and a more aesthetically pleasing environment."

In observance of Independence Day, all Home Federal branch offices will be closed Friday, July 4th and Saturday, July 5th. Regular business hours will resume Monday, July 7.

Elect Hunley Regent Of Chicago Chapter, DAR

Valerie McElroy Hunley (Mrs. Joseph V.) of rural Antioch has been elected regent of Chicago Chapter, National Society Daughters of the American Revolution. Hunley was installed during ceremonies at the Americana Congress Hotel in Chicago. For the past three years she was first vice regent and has also served as historian-librarian and as chairman of the following committees: conservation, constitution week, American history month and essay contest, and junior membership. She is also division IV representative of motion picture, radio and television.

Hunley has been a member of Chicago Chapter for 32 years. Her mother and grandmother were members of Chicago Chapter,

and, making four generations in the same chapter, her three daughters, Mrs. Heather Hunley Curtis, D.V.M., Mrs. Pamela Hunley Engler, and Mrs. Robinette Hunley Kasuboski are all members.

Chicago Chapter, organized in 1891, was the first chapter of the DAR. The National Society's membership is now over 210,000. The main objects of the DAR are to perpetuate the memory and spirit of the men and women who achieved American Independence, to promote institutions for the general diffusion of knowledge, to cherish, maintain and extend the institutions of American Freedom, to foster true patriotism and love of country, and to aid in securing for mankind all the blessings of liberty.

Valerie McElroy Hunley

Swim Team To Host Meet

The Antioch Swim Team, sponsored by the State Bank of Antioch, will host an invitational swim meet on July 13 from 9 a.m. till noon. The Antioch Team will compete against teams from Libertyville, Lake Bluff, Waukegan Park Dist., and Brentwood Swim Club of Waukegan.

The invitational will be held at the Williams Park Pool.

Sign Up Now For Big Pet And Bike Parade

Hey kids! Sign up now for the Antioch News-Reporter's annual pet and bicycle parade.

Set for Saturday, July 19 at Williams Park beginning at 10 a.m., children will be grouped in either the under seven category or the group between eight and 13.

Competitive categories for pets will be: most unusual, best groomed, and funniest. Categories on which bikes will be judged are: most patriotic, most unusual, and most humorous.

Line-up will begin at 10 a.m. and judging will be conducted from 10:30 to 11:30 a.m. Awards will be given after the judging.

Children may enter in one category only. In addition to the Antioch News-Reporter, the State Bank of Antioch, Meta's Candies, Here's The Scoop, and Awards by Kayden will sponsor the parade. The sponsors will make sure that everyone in attendance gets a special surprise.

See Page 7B for registration form or stop by the News-Reporter office at 952 Main St.

Women Of The Moose Install New Officers

The Antioch Chapter of the Women of the Moose held its annual installation of officers, appointed officers, chairmen and ritual director on June 21 at the Moose home. The hall was decorated for the festivities in a Polish theme as the incoming senior regent, Theresa Grefkowicz, is of that nationality.

The installing chairman, Peggy Learmont, introduced the installing officers: Jerri Polson, regent; Mary Galster, chaplain; Dorothy Tralewski, guide; and Emily Novotny, musician. Besides Senior Regent Grefkowicz, the remaining officers installed were Jr. Graduate Regent Dorothy Laursen; Jr. Regent Ruth Rynders; Chaplain Margie Turner; Treasurer Julie Gajewski; and Recorder Louise Gutowski. Appointed officers installed were: Sandra Grube, guide; Pearl Roach, assistant guide; Karen Groth, sentinel; Carol Jurgansen, argus; and Louise Imburgia, musician.

Eight chairmen and the ritual director took their oaths and were invested with the emblems of their positions. The chairmen include: Gail Klimesmith, Lily Wagner, Sarah Dykstra, Denise Krause, Ruth

Gussarson, Mavis Dingsdale, Patricia Sterling, Terry Smallwood and ritual director, Judy Gipson.

The ritualistic marching was performed by escorts Beatrice Phillips, Jeanne Van Zandt, Marilyn Vynalek, Jenny Volpentesta, Caroline Prochnow, Judith Kelly, Carole Deutsch and Evelyn Albert.

After adjournment by

Chairman Learmont, a dinner was served by Denis Dingsdale, John Gipson and Jim Portalski for the approximately 100 members attending. Dancing followed the dinner.

The first ritual practice of the chapter year was held June 30 at 7:30 p.m. in preparation for the July 10 meeting honoring the College of Regents committee.

Racetrack Looks Doubtful For Lake County Site

by STEVE PETERSON

Old Mill Creek residents concerned that the proposed rebuilding of Arlington Park racetrack in their backyard would disturb their peaceful way of life may not have anything to worry about after all.

Unless the wishes of industrialist-developer Richard Duchossois can be met in the overtime session of the legislature in Springfield, the proposed Lake County site may go by the wayside.

"The biggest thing is concerning the parimutuel tax," Rep. Robert Churchill (R-62) said.

Gov. Jim Thompson has

proposed phasing out the tax from 6.5 percent to 2 percent.

But four weeks of legislative negotiations have failed to deliver a bill suitable to Duchossois interests. Thompson's proposals and the interests of the House Democrats who want racing reforms in the bill.

Churchill said any proposed bill's fate is in the hands of House Speaker Michael Madigan (D-Chicago).

"If the speaker does not call it, then nothing will happen. I have a couple of bills pending. It's all in his domain and the president of the Senate (Oak Park

Democrat Phil Rock)." Churchill said.

The idea of a Lake County racetrack burst out of the rumor mill stages in late May. On June 2, Thompson brought Duchossois, the state representatives and a cadre of local officials to Waukegan in a series of press conferences announcing the proposed Old Mill Creek site.

Later in June John Kramer, head of Heartland Developers, presented the plan to a packed audience at a special Old Mill Creek Village Board of Trustees meeting.

According to the plan, Duchossois would develop 1,700 acres of Newport Twp. land in exchange for an Arlington Park development to replace the burned down racetrack.

Developers touted the area's mid-way location between Chicago and Milwaukee and the present emphasis on equestrian lifestyle.

The project, if it comes to fruition, is expected to provide direct private investment of \$674 million; 3,900 construction jobs over 10 years; 7,000 permanent jobs; \$10.5 million per year in local tax revenue; \$1.4 million a year in state tax revenues.

The development would include a racetrack built along the lines of Kennelwood in Kentucky and Saratoga in New York; a resort and conference center; an 18-hole golf course; single-family residential homes

and specialty retail shops.

"Gov. Thompson's role in the racetrack has been very positive. He's deeply involved in it and really wants it," Churchill said.

Churchill said Madigan has a "built in" reason to

thwart the racetrack because Madigan is running the independent campaign of gubernatorial candidate Adlai Stevenson.

Duchossois has kept his option of building a track in Wisconsin open.

Search For New Leader In Swing

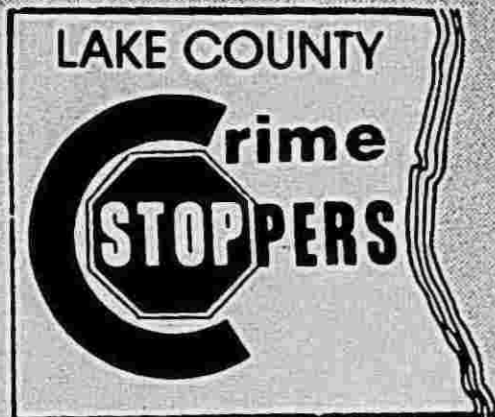

The search for a presidential replacement at the College of Lake County is about to hit full stride, according to CLC Board Member Richard Anderson.

Anderson said special committee has been formed and will most likely start taking applications for John Hunter's replacement after the board's July meeting. "Right now we're basically preparing a plan for the up-

coming search. We're getting things put together so that when the applications start coming in, we'll be ready for them," he said.

He said the board hopes to have a replacement by October, but added that it will most likely be November by the time one is found.

Hunter was president of CLC for the past eight years. He resigned for a career advancement opportunity.

Dining/Entertainment

SUMMER

Dining And Entertainment

Andre's Expands, Offers Dining And Cruises

Long a popular favorite in Richmond, Andre's Steakhouse will soon have a sister restaurant in Fox Lake, Andre's on the Bay. Open seven days a week

for lunch and dinner, Andre's specializes in such American foods as prime rib, live Maine lobster, fresh fish, and barbecue ribs. A

popular dessert specialty is the hot apple dumpling with spicy cinnamon sauce.

In addition to daily specials Monday through

Friday, Andre's has a fabulous Sunday brunch each week from 10:30 a.m. to 1:30 p.m. Besides a vast array of hot entrees, cold salads, and desserts, omelettes and waffles are cooked to order.

Regulars won't want to miss the fish fry every Friday night.

After dinner, make sure to stay and enjoy a drink at the bar while enjoying the summer entertainment in the cocktail lounge.

But Andre's is more than just a restaurant: it also can cater parties of up to 400 people. When Andre's on the Bay opens, in mid to late July, it will cater parties for

up to 200 people and will, of course, be the exclusive caterers for the Island Queen, the Chain O'Lakes' new tour boat.

Andre's Steakhouse is located at 11106 N. Rte. 12 in Richmond. For reservations or information about the new restaurant and tour boat, call (815) 678-2671.

Prime Time Has Good Food At Pocket Pleasing Prices

In the short two years that the Prime Time Eatery has been downtown in Lake Villa, it has established itself as one of the area's most popular eating places.

The family-like rustic atmosphere and the pocket-pleasing prices have made it the place for locals to congregate anytime they feel like giving mom a vacation from the kitchen stove. Or maybe its time for the stomach to start growling and a little friendly conversation would go well

with lunch or dinner.

The more than generous portions served at Prime Time also draw those that believe, not only in getting the best, but also want the most for their hard-earned money.

The size of Prime Time's gourmet burgers (one-half pound of freshly ground chuck steak) will satisfy even the hungriest man's appetite.

Besides the famous burgers, Prime Time's

menu offers delicious pizza and about 10 varying dinner items.

Approximately 135 people can dine at one time there and the attractive bar will seat up to 25.

The kitchen of Prime Time is open Monday through Thursday from 11 a.m. to 11 p.m., Friday and Saturday until midnight and Sunday until 10 p.m.

The bar is open until 2 a.m. except on Sunday when it closes at midnight.

Wednesday Newsstands

All associated weeklies in the Lakeland Newspaper group are available at your favorite newsstand Wednesday afternoon. If not, please call (312) 223-8161.

SUMMER

Dining And Entertainment

Ricco's Offers Quality

If award-winning food and a view of a lake add up to a rewarding dining experience for you, then Ricco's is the place to be.

Located on North Bluff Lake Rd., the restaurant features a stunning view of the lake. The restaurant is on the top of a hill at Old Port Cove Marina.

Ricco's offers an award-winning menu, serving 140 different Pasta combination specialties and northern Italian favorites.

The restaurant is open for breakfast on Saturdays and Sundays and lunch during

the week at noon. A buffet brunch is available on Sundays.

An outdoor eating area is available as well as banquet facilities, business luncheons and meeting rooms.

In 1985 Ricco's was reviewed a combined six times by the Chicago Tribune and Chicago Sun-Times. It also won an award from WBBM-AM's Sherman Kaplan's restaurant review show.

Ricco's was established in 1980 as a small pizzeria. An ambitious remodeling program soon commenced.

The establishment added a Loft Dining Room in 1984.

Hot delivery is offered within boundaries.

For more information, call (312) 395-6222.

Up 21 Percent

From 1975 through 1984, the U.S. civilian labor force grew by 21 percent. Women contributed more than 62 percent of the total growth as their numbers rose from 37 million to 50 million, according to a fact sheet published by the Women's Bureau of the U.S. Dept. of Labor.

Settle Inn To Host Acoustic Music Duo

The acoustic music duo "R & R: Eclectic Not Electric" performs Thursday, July 3, from 10 p.m. to 1:30 a.m., at the Settle Inn, 166 Eagle Point Rd. in Fox Lake. There

is no cover charge and no drink minimum.

"R & R" performs a unique and energetic mix of swing, country, blues, folk, and bluegrass. The duo con-

sists of Robbi Podrug (fiddle and vocals), and Randy Stone (guitar and vocals), both from Libertyville.

Since their start in late 1984 they have performed at such prestigious venues as Holstein's and Orphan's in Chicago, and at Milwaukee's acclaimed Summerfest.

For more information contact Michael at the Settle Inn, (312) 587-8111.

Award Rush

Photographs by Joe Rush, of B.J. Rush Studio, 141 Cheri Lane, Antioch, were selected for display at the 95th International Exposition of Professional Photography, July 12-16, in Anaheim, Calif.

The photographs, titled "Ooops," "The Playwright," "Her Majesty-Lassie" and "Katie," were among 6,000 entries submitted to Professional Photographers of America Inc. (PP of A) for critique by

Joe Rush

qualified professional juries. The more than 2,500 winning photographic works constitute the largest exhibit of its kind in the world, gathered at one time under one roof.

Everything's Rosey For Hausman

Antioch rosarian, Tom Hausman, had a successful June rose show season. At the Gateway Rose Show held June 21, at the Regency Mall

in Racine, he won the "Princess of Miniatures" award for his exhibit of a cornsilk mini-rose.

This means that, out of the 100 mini-roses entered, his was picked as the third best of the show.

At the Milwaukee Rose Show, held on June 28 at the Mayfair Mall, he won "Best of Arrangements" with an arrangement of Folklore and Brandy roses entitled "Forty-niner: The California Gold Rush."

The arrangement also won the "King of Arrangements" award and the "Silver Arrangement" certificate for horticultural perfection.

Hausman will be exhibiting at the Lake County Fair, the Men's Garden Club of Waukegan Show, and the NIRS Rose Show at Hawthorne later this summer.

Prize Winner

Joe Rush's prize-winning portrait entitled "Lassie", is of a collie owned by Mr. and Mrs. Dennis Lento of Antioch.

400 Craftsmen To Display At Wisconsin Craft Fair

On July 19 and 20 at Craft Fair USA, more than 400 craftsmen gather from Wisconsin, Illinois, Iowa, Michigan, Minnesota, California, Indiana, Vermont, Kansas, Missouri, Texas, New York, Arizona, New Mexico, Kentucky, Virginia, Florida, and Colorado; at Wisconsin State Fair Park, 8100 W. Greenfield Ave., Milwaukee.

Imagine the variety of exhibited crafts by these

skilled and versatile craftsmen and artists: wildlife mobiles, lucite and plasma sculptures, oak furniture, clothespin dolls, landscape paintings, goose egg and primitive folk art, jewelry, rosemaling, photography, marquetry pictures, basketry, hot-air balloons, stoneware, victorian needlework, glass etchings, English smocking, stenciled woven rugs, fashion accessories; the list of crafts are endless.

Hometown craftsmen

Gary and Cheryl Benson from Lake Villa will exhibit ceramics; James Karns from Twin Lakes will show leather belts; Sandra LaForge from Antioch will display saw painting; Leo and Helen Page from Twin Lakes will show fur puppets; Cam Pawlowski from Trevor will exhibit ceramics and Kathy Ticha from Twin Lakes will display wood furniture.

Magician, Brett Daniels, entertainment attraction at 1 p.m. and 3 p.m. both days,

will take you through the fascinating world of magical mystery and suspense. Houdini's famous "Chinese Water Torture Cell Escape," a chilling experience of

escapism, is a Daniels' magic specialty.

Craft Fair USA is in the air-conditioned north wing exhibit hall at Wisconsin State Fair Park, Milwaukee.

For more information, call (414) 321-4566. Adult admission, \$2; children six through 12, \$1; under six free, and plenty of free parking.

Dietician Available

A registered dietician/nutritionist from the Lake County Health Dept. is available for consultation to eligible Lake County residents. Individuals may make appointments at the following locations: Mid-Lakes Medical Bldg., 6 E. Main St., Round Lake Park (312) 546-6662; Lake County Health Dept. offices, 3010 Grand Ave., Waukegan (312) 360-6753; and the Belvidere Medical Bldg., 2400 Belvidere Rd., Waukegan (312) 360-6753. The nutritionist is also available for consultation by telephone. Call (312) 360-6753 for information.

Pun Fun Entices State Fair Goers

Agriculture-related words and visual puns will be instrumental in the promotion of the 1986 Wisconsin State Fair, set for July 31-Aug. 10.

"There's a Whole Lotta Bacon Goin' On," one of the five billboards, features a pig singing at an upright piano in the spirit of a rockin' 50's star.

"We Are the Wool" pictures a sheep in a black braided wig and dark glasses. "Nothing Could Be Swiner" shows a vacationing pig at the fair complete with camera, ear of corn and cream puff.

A popular recent rock hit inspired "Barn in the USA," depicting a horse in a red bandana with a guitar around its neck. The fifth billboard shows a baby cow in an old fashioned carriage with the pun "Come See Our Dairy Heirs."

In addition, two posters used to promote this year's fair will show a family of sheep driving to the fair under the slogan "Pack Up the Herd" and a chicken in a railroad engineer's cap urging fairgoers to "Take

the Last Train to Clucksville," paraphrasing the popular 60's hit.

The animal pun campaign is the brainchild of William Eisner and Associates of Milwaukee who began it all with "The Days of Swine and Roses" for the 1980 fair.

Since then, the clever slogans and colorful artwork have won national and international awards and attention. The creative department at Eisner is responsible for some of the catchy sayings, but many arrive unsolicited at the state fair office each year from fair fans throughout the midwest. More than 1,000 pun ideas were received in 1984 in response to only one news release asking for the silly sayings.

Past puns have included "Oinkie Sam Want You," "Our Barn Door's Open," "The Duck Stops Here," "Biggest Bunny Hop in Town," "Star Boars," "Cheese and Quackers," "We're the Farm Team," "We Will Show No Swine Before Its Time" and many more.

Baptist Church Schedules Two Musical Programs

At 7 p.m. on Thursday, July 3, at Community Baptist Church, corner of 4th and North St., Silver Lake, Wis., presents "America, You're Too Young to Die."

This presentation, that has appeared before 2.3 million people from coast-to-coast is designed to educate, organize, and mobilize the sleeping giant of moral Americans and to turn America back to the God of her forefathers.

The "America, You're Too Young to Die" program is a 75-minute multi-media

production by the Life Action Singers which includes special lighting, 12 computerized projection units covering a 36-foot wide screen with over, 1,300 visuals, synchronized to the music, lyrics and narration.

The public is invited and admission is free.

Majesty, a men's quartet from Grand Rapids Baptist College and Seminary, Grand Rapids, Mich., will sing at Community Baptist Church, at 7 p.m. on July 10.

Their program will include such arrangements as

"Moses," "Just a Little Talk With Jesus," "A Prayer Before Singing," "I'm a Gonna Shine," and other favorite inspirational quartet numbers.

The quartet includes Eric Proseus, John Michniewicz, Walt Matzke, and Steve Clouse.

Grand Rapids Baptist College and Seminary offers Christian liberal arts and professional curricula on a 134-acre campus.

Attorney General Objects To Delay

by CHARLES JOHNSTON

Asst. Atty. Gen. Matt Dunn has filed a motion on behalf of the Illinois Atty. General's Office requesting that Hillview Farms request for continuance be denied.

Hillview Farms, owned by Edward May, has twice been denied a permit by the Illinois Environmental Protection Agency (IEPA) to continue accepting and injecting sludge on farmland in Richmond. Both denials have been appealed.

In the request for continuance, dated June 16, attorneys for Hillview argued that after the first denial, they had been assured by IEPA representatives that if they would comply with certain information requests, Hillview would promptly be issued a permit upon re-application. The attorneys said there had been insufficient time to prepare for

appeal because they had not actively pursued appeal following these representations.

The motion filed by the attorney general's office notes that Hillview's attorneys do not state specifically who made these representations and that even if this statement is correct, that the Hillview attorneys had more than two months prior to the hearing after being re-denied in which to prepare a case.

Dunn further notes that in the second application, Hillview did not fully comply with the IEPA's request for information.

If the continuance is granted, the pollution control board (which hears such appeals) will set a new date for hearing. Otherwise, the hearing on the appeal before the pollution control board will be held on July 16.

Outstanding Science Teacher

James Oilschlager, a biology teacher at Libertyville High School, has been named 'Outstanding Science Teacher' by Abbott Laboratories' chapter of Sigma Xi, a national scientific research society. Oilschlager, a resident of Antioch, has taught at Libertyville High School for the past 20 years. Oilschlager, right, received a certificate of honor and \$100 from Gene Bush, Ph.D., treasurer of the Abbott Sigma Xi chapter and chairman of the awards committee, at the chapter's annual banquet. The Abbott Sigma Xi chapter gives the award to a Lake County science or mathematics teacher each year. Teachers are nominated by students and Sigma Xi members. The Abbott Sigma Xi chapter has 300 members and is one of the most active in the United States. To be eligible for membership, an individual must be involved in research and must have published a scientific article or thesis or hold a patent.

Newport Students Will Attend Beach Park

by STEVE PETERSON

Newport School Dist. students will attend Beach Park schools in the fall.

The Lake County Regional Board of School Trustees has granted a petition by both Newport and Beach Park school district to merge the two for the 1986-87 school year.

"There are no losers in this merger," Newport interim Supt. Arthur Katzenmaier said.

The regional board voted 5-0 for the annexation order of Newport to Beach Park at a June meeting.

Declining enrollment and a budget in deficit coupled with the Newport board's decision in May to approach the neighboring Beach Park school district about annexation brought about the merger. The boards held a joint meeting May 5 and approved the annexation in separate resolutions at their May board meetings.

The Beach Park district, which borders Newport on its east side, will receive about 92 additional students, three buses and a new building for the 1986-87 school year.

"Both the districts will benefit from the merger. Newport students will receive a broader education and Beach Park will get an excellent structure. I feel strongly this is a positive move," Beach Park Supt. Ken Murphy said.

The Newport eighth graders attend Antioch or Zion-Benton High School.

Murphy said that annexing Newport will mean a reduced tax burden for Beach Park taxpayers.

Newport's present rate was \$2.259 per \$100 of assessed valuation while Beach Park's was \$3.009. According to figures presented

by attorney Jerry Snyder, the combined assessed valuation for the Beach Park and Newport districts will be \$70,160,282.

Newport's enrollment for the 1985-86 school year was 137 students. The school had 11 staff members, who will become staff members at Beach Park in the fall.

Katzenmaier, in testimony before the regional board, said the numbers situation at Newport was making education difficult.

"The education climate was somewhat less than ideal. Because of the numbers, it was very difficult to motivate the students. I would recommend the merger without reservation," Katzenmaier said.

Katzenmaier added that the environment hindered students' readiness to enter high school. "The environment was protective and then they would have to go to a high school with 2,000 population," Katzenmaier said.

Newport Board President Ann Olsen said a citizen's advisory committee recommended to the board that it reduce staff but keep the school open.

"The advisory committee told the board to combine classes to reduce cost. They told us the people wanted Newport to remain a school by itself," Olsen said.

Olsen said the Beach Park district will offer Newport students math courses such as algebra, computer classes, sports as well as a better social environment.

"We had to set aside the emotional issue of keeping the school going to do what is best for the children," Olsen said.

County regulations in unincorporated areas including the Newport district prohibit growth, Olsen said.

Cotillion Is A Success

The Antioch Mental Health Assn. met at the Antioch Library on June 16.

Dorothy Teister, chairman of the 1986 Cotillion which

was held at Harbor Ridge Country Club in May, reported that it was a great success, bringing in \$5,000.

Assn. Pres. Jean Stanley said that it was due to the participation and support of many Antioch area residents that made it possible for the association to present donations to three Lake County programs: Grove School in Lake Forest, Riverside Foundation, and The Lambs Farm in Libertyville. Twenty thousand dollars were given to these three organizations which are dedicated to the needs of the mentally

handicapped.

Virginia Matson, founder, and Dawn Weston, chairperson of the Grove School's board of directors, were at the Cotillion to personally accept the association's donation. Matson praised the association for its dedicated work and called the Cotillion a highlight for everyone. She also expressed her gratitude for the association's contribution which helped make the Oak Leaf Genetic Screening and Counseling Clinic at Grove School possible. The clinic is now extending its services throughout Lake County.

Samson To Help New Students

Among the students serving as NI guides this Aug. for "Northern Premiere Week 1986" at Northern Illinois University in DeKalb is Suzy Samson of Antioch.

NI guides are continuing to assist incoming freshmen and transfer students make the adjustment to living in campus residence halls and to the NIU and DeKalb communities.

Ullrich Attends AARP Convention

Robert P. Ullrich of Antioch was a delegate to the national convention of the 22-million member American Association of Retired Persons (AARP). Ullrich is a member of the Illinois State Legislative Committee.

More than 25,000 people attended the four-day convention, the largest in AARP's 28-year history, which featured appearances by a host of popular personalities and experts on a wide range of subjects.

Among the convention speakers were Ann Landers, Eric Sevareid, Dr. Carl Sagan, Louis Rukeyser, Dr. Joyce Brothers, Shirley Chisholm, HHS Secretary Otis Bowen, Dr. Ruth Westheimer, Jane Brody and Vernon Jordan. Entertainers included George Burns and Andy Williams.

Ullrich also saw the installation of John Denning of Clinton, North Carolina, as

the new national president of AARP, replacing Mrs. Vita Ostrander of Atlanta, Georgia; as well as a major presentation on the future of the association by AARP Executive Director Cyril F. Brickfield.

AARP is the nation's largest organization of Americans age 50 and older. Headquartered in Washington, D.C., the non-profit, non-partisan organization offers a wide range of membership benefits, legislative representation at federal and state levels, and educational and community service programs carried out through a national network of volunteers and local chapters. The association also offers a variety of educational and advocacy programs for older workers, who make up one-fourth of AARP's total membership.

Public Now Able To Tour Gold Pyramid House

The striking Gold Pyramid House that thousands of travelers heading north on I-94 and Rte. 41 have seen towering above the suburban countryside of Wadsworth is now a new and unique addition to Lake County weekend attractions.

The Gold Pyramid House is now the luxurious home of builder Jim Onan and his family, and it is representative of Onan's love affair

with the mysteries of ancient Egypt.

Since its completion, public tours of the structure have been restricted to only a few charitable fundraising events. Beginning July 4, however, the Gold Pyramid House will be open to the general public every weekend through Labor Day.

The Gold Pyramid is aptly named. Its 12,000 square feet

of exterior walls are completely covered with 24k gold plate. The structure's apex rises 55 feet above its broad base. It is precisely oriented to true north, exactly as is its model, the Great Pyramid of Cheops in Egypt. Just as Cheops has sent its shadows down through the ages, the glowing image of the Gold Pyramid House is reflected in a 20-foot deep, spring fed moat that surrounds the

structure. Like a silent sentinel, a 200 ton statue of Ramses II stands guard over the imposing grounds.

Once inside the pyramid house, visitors are surrounded by a growing collection of Egyptian artifacts and paintings, blended with traditionally styled furnishings in over 17,000 square feet of living space. Included is a reproduction of Tutankhamen's Throne; 19th C. Revival Chairs from Sam Goldwyn's Hollywood collection; more than 100 pieces of authentic Egyptian statuary; custom made Egyptian styled china and

goldware; and a striking wall hanging of Tutankhamen's mask. Covering about 200 linear feet of the permanent wall of the exhibition hall are hand painted adaptations of ancient Egyptian cultural scenes.

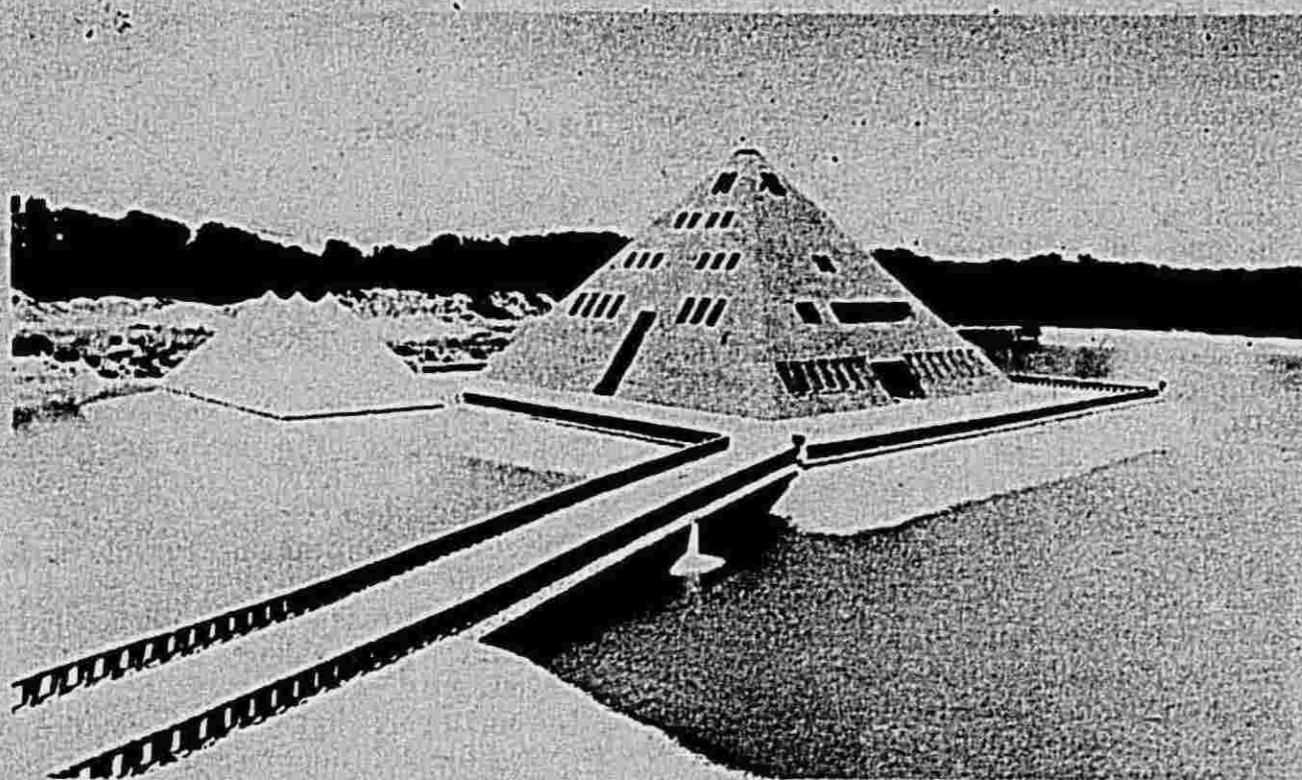

The Gold Pyramid House has aroused international curiosity from as far away as China and Australia, but only a relatively few people have experienced the thrill of standing at the foot of this towering structure, and then being able to enter and enjoy the interior's intriguing ambiance.

Now, this unique ex-

perience is available for everyone to enjoy.

The Gold Pyramid House will be open on July 4 and every Saturday and Sunday thereafter, through Labor Day. Hours are 11 a.m. to 5 p.m. Admission is \$6. For children 12 and under the fee is \$3. For more information call (312) 662-6666. For group rates and special tour openings call (312) 336-7777.

The Gold Pyramid House is located two and one half miles north of Great America on Dilley Rd. From Chicago, take I-94 north to Rte. 132. Exit eastbound to Dilley Rd., then turn left.

Gold Pyramid House

Beginning July 4, the Gold Pyramid House will be open to the general public every weekend through Labor Day. Since completion of the structure, tours had been restricted to only a few charitable fundraising events. The Gold Pyramid House is located in Wadsworth, two and a half miles north of Great America on Dilley Rd.

County Landowners May Apply For Funds

Lake County landowners may apply for cost-share funds to create soil and water conservation practices on their property. The deadline for applications is July 18 at the Soil and Water Conservation Dist. in the Lake County Fairgrounds office. There are 11 practices eligible for cost-sharing funds.

Landowners are eligible to receive up to 75 percent of the cost of soil and water conservation practices installed on their land. These practices are: contouring, contour strips, diversions, field border strips, field windbreaks, grassed waterways, livestock exclusion, pasture and hay planting, critical area planting, sediment and water control

structures, and terraces. Employees of the district will assist applicants in preparation of plans and their execution.

The Lake County Soil and Water Conservation Dist. received a \$10,000 allocation for this year. The amount may rise, depending on response to the program and need. The district will cost-share with erosion problems in either urban or agricultural areas.

Governor James Thompson signed legislation in July 1985, passing the "Build Illinois" economic development program. One provision within this bill provides two million dollars a year over the next five years to Illinois Soil and Water Conservation Dist.

The Dept. of Agriculture expects this multi-year commitment to permit S&WCD's to reach state goals of a tolerable soil loss per acre, or to substantially reduce soil erosion by the end of the century. The money is to be used for permanent conservation practices.

A conservation plan, signed agreement and maintenance provisions are additional requirements of the district's program. Funds may be used to install practices this fall.

Applications forms are available from the Soil and Water Conservation Dist. 33040 N. Rte. 45, Grayslake, Ill 60030, (312) 223-1056. The deadline is 4:30 p.m. on July 18.

I SEARCH Looking For Avon Twp. Girl

A 15-year-old Avon Twp. girl is being sought by the Lake County I SEARCH Unit, Sheriff Robert H. Babcox reports.

The missing runaway youth is identified as Susan M. Wildkatsch, Babcox said. She was last seen June 4, he added.

Susan is described as being 5'2" in height, 130 pounds, and has blonde shoulder-length hair and blue eyes, Babcox said. She was wearing blue jeans and a white T-shirt when last seen, he added.

Wildkatsch is the tenth I SEARCH youth highlighted

through the news media. All previous youths have been located, Babcox said.

Anyone with information on the whereabouts of this girl is asked to contact the I SEARCH Unit at (312) 244-KIDS or the state hotline (312) 1-800-U-HELP-ME, Babcox concluded.

Susan Wildkatsch

Receive Degrees

Rockford College commencement exercises were held.

The following Lakeland area students received degrees:

Kelly E. Lambert, Round Lake, received a bachelor of arts degree with a major in accounting;

Patricia A. Iserman, Warren, was presented a

bachelor of science degree with a major in mathematics;

Randy L. Klipstein, Lake Villa, received a bachelor of science degree with a major in computer science;

And Carolyn J. Munda, North Chicago, was presented a bachelor of arts degree with a major in psychology.

WKRS Radio Sponsors Summer Giveaway

Through July 11, WKRS will be giving listeners the chance to be the envy of their blocks with summer prizes furnished by the Ace Hardware home centers at Lakehurst, Round Lake and Round Lake Beach.

Each morning at 8:30, WKRS will play a sound of

summer... (kids playing, surf crashing, etc.)... backwards. Listeners will then be invited to call the station at (312) 244-1220 and identify the sound played. The first caller to correctly identify the sound wins a great prize for summer fun, like a cooler or portable vacuum. That caller will also be qualified

for the grand prize drawing to occur July 11.

The grand prize package consists of a complete set of patio furniture, a Bradley double-burner gas grill and a set of barbecue tools.

Complete contest rules and information are available by listening to AM1220, WKRS.

Waterway Management Agency Keeps Busy

The Chain O'Lakes Fox River Waterway Management Agency is having a very busy summer.

As of June 19, 10,612 boat stickers had been issued to boaters who use the Chain O'Lakes during the summer. The Lake County Sheriff's Office had only written five tickets and issued 16 warnings up to that point.

Perhaps the most ambitious project of the year is to install informational bouys in no-wake areas and directional signs on the bridges around the lakes. There has been a delay in getting the bouys because the manufacturer has had trouble getting the lighted assembly parts. Work to install the directional signs has begun, though, and the first one is in place on the Grand Ave. bridge.

Earlier in the year, many local boaters and marina owners had been concerned about the low level of the water. Agency chairman, John Soffietti, said at that time that the trick

was to control the water so that there would not be a sudden flood in the case of an unexpected heavy rainfall. He added that the agency would be working with the state to try to improve control of the water level in the Chain. On June 19, advisory board member Sam Poole and the agency directors met with representatives from the Ill. Dept. of Water Resources and established a committee to study flood control problems.

Another early problem in enforcement of the boat sticker requirement had been a delay in getting an enforcement contract with the McHenry County Sheriff's Dept. Final agreement on the contract was reached on June 17 and the sticker requirement is now being enforced in both counties.

Anyone who needs a sticker for their boat or wants information about the Chain O'Lakes can contact the agency at (312) 587-8540.

Hess Excited About County Enthusiasm

A champagne reception with all the trimmings officially kicked-off the campaign to reelect incumbent Linda Hess to another term as Lake County Clerk.

Ticket sales soared into the hundreds for this special event, which was held June 27 at the home of David Decker of Lake Bluff.

Attended by many local residents and politicians, an unusually high Republican turnout helped make the fundraiser a huge success.

State-wide support was also shown by visiting downstate dignitaries Roland Burris, Illinois state comptroller, and Michael Howlett, candidate for Illinois lieutenant governor.

A silent auction highlighted the evening's festivities, featuring donated gifts from supporters as far away as Washington, D.C. Included were political buttons donated by George Groesch; an autographed book and bow-tie donated and signed by Paul Simon; an original drawing of

Churchill and Eisenhower donated by Grace Mary Stern; a letter opener autographed by John Glenn; a Liberty Coin Collection signed by Lee Iacocca; a U.S. flag flown over the capitol; and much more.

"I'm so excited, I simply cannot believe the support and enthusiasm that is being generated from all corners of the county. Even though the November 4 general election is months away, we are off to a fantastic start," Hess said.

Crime Stoppers On TV

A program on "Crime and the Elderly Victim" will be shown on US Cable television as a continuation of the "Your Access to the Law" series presented by the Volunteer Lawyers Program of the Lake County Bar Assn. and CABAC.

The program is a service of the office of Fred Foreman, States Attorney of Lake County. Hosting the

program is Steven Kaiser, assistant States Attorney, and his guests are the Honorable Jane Drew Waller, Associate Judge; Michael Holliday, executive director of Crime Stoppers; and Lorraine Hendrickson of Catholic Charities.

The purpose of the program is to combat crime by promoting victim

awareness and deals with such subjects as how to make a complaint, how to prepare as a witness in a trial, and how to testify at a trial.

The program will be shown on US Cable, Channel 3, on Monday, June 30 at 7 p.m.; Thursday, July 10 at 7:30 p.m.; and Tuesday, July 15 at 3:30 p.m.

Editorial

Losing The Protest Voice

The hue and cry being emitted by Lake Villa Township residents over annexation of 330 acres by the Village of Round Lake Beach for a residential development is a classic case of too little too late.

We sympathize with open-space advocates. There is legitimate concern over whether the Beach can deliver municipal services, especially acceptable quality water. Potential traffic problems aren't being addressed. We also have a problem with the philosophy of one governmental body (Round Lake Beach) crossing political boundaries (the Avon-Lake Villa town line) to achieve goals and aims that come into conflict with another political entity. Fundamentally, it's not conducive to good government, much less inter-governmental neighborliness. The conflict that has arisen is exactly what could be expected.

The way Lake Villa objectors, however, have mounted their protest amounts to babble and rabble. There was at least a six-month lag between the time the annexation

plan was revealed and concerned Lake Villa Township residents mounted their protest. That's too big a time span. They simply missed the boat.

Contrast the Lake Villa protest to objections voiced against the Heartland development a decade ago where opponents got involved immediately and stayed involved to stay plans to develop a huge block of farm land between Mundelein and Grayslake.

The Lake Villa leadership has been fragmented, one of the reasons being that the Village of Lake Villa itself is involved in an annexation and development proposal involving 840 acres. Public opinion on the project, initiated by the same developer dealing with Round Lake Beach, has not yet come into focus.

The sad thing is that, from our perspective, there are legitimate causes for alarm and question about the extension of Round Lake Beach into a rural area, but they've been lost in the melee and may never be heard.

Saluting Lady Liberty

The hundredth anniversary of the Statue of Liberty will be celebrated in conjunction with Independence Day this weekend. Pundits across the land are appalled that, instead of a dignified national ceremony, the salute to Lady Liberty will more closely resemble your local Chrysler dealer's "Carnival of Values."

Frankly, we can't think of a more appropriate way to capture what the American dream has meant for millions of immigrants.

All those tired, poor, huddled masses yearning to breathe free did not move to a country estate and live a dignified, elegant life upon departing the boat.

What they did was get out and start working. Some hustled hot dogs, tamales, ice cream, and other exotic culinary delights. Others swept floors, cleaned offices, and worked long hours in grimy factories and mines.

Most of them did this not in the expectation that their's would be an easy life, but that

their hard work would make a better life for their children and grandchildren. Indeed, many of their grandchildren did move to that country estate.

The pride of America is the opportunity it gives to even the lowliest to better their lot through hard work and determination. Our shame is that, too often, the children who benefit from the sweat of their parents are so caught up in elegance and dignity that they would consider those parents' lifestyle rather tacky.

Let us never forget that America was not created by elegant people sipping sherry from Waterford crystal. America was created by tough, resilient people who were glad for the opportunity to get out and hustle up a few bucks.

We are not going to give up our sherry or sell our Waterford crystal. But come the Fourth of July, we are going to buy a brat and a beer for liberty.

God bless commercialism!

Buttoning The Lip

Donna-Mae Litwiler, Republican nominee for county clerk who savors her oratorical abilities to such an extent that she characterizes herself as "The Lip" on her license plates, strangely has turned down an invitation to debate incumbent Lake County Clerk Linda Hess. In professional football, this would be akin to Jim McMahon saying "no thanks" to an opportunity to wear a new headband. In short, Litwiler's response was unexpected and uncharacteristic.

In politics, it is almost axiomatic that the challenger issue a debate proposal as part of the strategy. It is just about as automatic, by the same token, that the incumbent refuse on the grounds of dignity and a preference to discuss issues as opposed to engaging in low-level politics. Only in the case of the county

clerk campaign, it is challenger Litwiler who branded Hess' invitation as being political. Litwiler, who normally turns every public utterance into a filibuster, dismissed the invitation with the dark and shadowy response that she will "disclose rather than debate."

Presumably, this is Litwiler's way of forecasting dark days ahead for Hess when she does decide to talk. Disclose what? We wonder. Perhaps Donna-Mae was thinking about her choices for two deputy clerk positions in indicating her plans to "tell all" about the clerk's office. Or have Litwiler's mentors decided that it will better serve their purposes to keep a muzzle on The Lip?

It is difficult to envision a campaign involving Donna-Mae Litwiler where she can be seen but not heard.

Smaller Is Better

Now that the Arlington Park ownership has pinpointed the rolling countryside of Old Mill Creek as a future home and the Chicago Bears management is looking covetously at some greensward in the nondescript entity of Keeneyville in the western suburbs, it's time to recognize that Chicago sportsmen are yearning for the same thing that has attracted city residents for decades--the wide open spaces.

Sports moguls shouldn't be blamed for a desire to get away from the grime and crime of the city. By recognizing this shared trait, however, we have to be ready to accept the fact that our local places of solitude may be targeted for future professional sports emporiums. Could it be that the Chicago Bulls might be interested in a new home at Monaville? Perhaps the Blackhawks might find a new rink in Fremont Center inviting? After all, the Wirtz family could have only a short commute to the office down Rte. 60. We can see the Chicago Sting lighting up the sky at Rondout with a modern field and plenty of parking. The Cubs might find Knollwood

inviting for a diamond with lights.

When it comes to a mailing address, professional sports recognizes that "smaller is better." Get ready for some new neighbors!

OFF THE WALL

A MAN REACHES HIS WEAKEST POINT WHEN A WOMAN TELLS HIM HOW STRONG HE IS

Letters To the Editor:

Love To Veterans

Editor:

I want you to know I love all you guys and dolls. I was born in Chicago during World War I and I survived my babyhood and teens without a single bomb falling on that city. Thank you, Vets of World War I.

I grew up, married in 1940 and had my first baby 11 days after Pearl Harbor. I had three babies during the interval of war. I was so grateful that I could put my little ones to bed clean, well fed and safe. As I hovered over their little beds, I would say a prayer, thanking God and all you veterans for making this all possible. Please note, veterans, you came second only to God. At this time, I would ask myself "how are the other mothers around the world putting their little ones to bed?" Hope it won't be construed as my being somewhat of a traitor but I did think of the German, Italian and Japanese mothers, too. After all, mother love has no boundaries of race, color or creed.

You veterans of the Korean and Vietnam wars, I feel you were very instrumental in making it possible for my daughters to put my grandchildren to bed under the same conditions I had put them to bed. Thank you vets of Korea and Vietnam.

Perhaps, at times, you vets think people have forgotten what you have done for our country. Believe me, there are many, many people who remember and are grateful to you.

Sylvia E. Rozek
Round Lake Beach

Good Conduct

Editor:

With articles in several newspapers dealing with disruptions at several high school graduation ceremonies in the Northwest Suburban Area, I think congratulations and praise should go out to Wauconda High School's Class of 1986. These graduates conducted themselves at their commencement on June 7 with pride, dignity

and respect. To be sure, joy and happiness abounded, but through the mature behavior of these graduates, their families, friends, and they themselves were able to enjoy this special occasion. Congratulations to Wauconda's Class of 1986!

Hazel Schmidt
Wauconda

Saving Lives

Editor:

Regrettably, comments of Nancy Ross in your "letter to the editor column" do not appropriately address the problem of what is needed in medical delivery systems in Lake County.

The Chicago Medical School Hospital is being created to bring high tech medical care to Lake County residents (Tertiary Care and a Trauma I Center).

The cost to you is nothing. Private money will build the hospital.

The principle reason for the new hospital is very simple — lives will be saved, and this is a proven fact.

The small percentage of the public led by the area hospital administrators that hold your position, regrettably base their thoughts on pure selfishness. They seem deathly afraid of any competition which the new hospital incidentally wouldn't create.

In actuality, the hospital administrators are really afraid of losing key personnel to the more prestigious university hospital.

I doubt very much if you'd take your car to Madison or Milwaukee for repairs, but if you wish to take your child to Madison, Milwaukee or Chicago for repairs, that's your business.

However, 90 percent of Lake County residents prefer to have our own medical delivery systems here.

How You Look At Your Job Makes Difference

by BILL SCHROEDER

Thirty years can be an awfully long time or it can be the flick of an eyelash. It's all a matter of perspective.

That time span sticks out because it marks the anniversary this columnist took over the editor's desk. Thirty years. Plenty of bumps and bruises along the way. That's the newspaper business—and life. Also lots of fun and wonderful memories of good times and great people. That, too, is the newspaper business—and life.

Back in July, 1956, Ike was in the White House and our nation was at peace. Sad memories of the Korean War were fading. People had reason to be happy and optimistic about the future. I didn't have to look long for a big story. My first week on the job the fast

train from Madison on the Milwaukee Road plowed into spectators perched on a trestle watching Fox Lake fireworks. A local tragedy made headlines across the nation. A few weeks later, central Lake County was stunned when the Corey plant closed unexpectedly in Grayslake, making more than 100 persons jobless. The news was good, too. The Lake County Fair opened at its permanent new mid-county home and the new editor was among a group of bachelors "burdened" with the task of selecting the fair queen.

Reflecting on three decades of newspapering, your writer was struck with the saying that "the more things change, the more they stay the same." How true. Residents of this community still have an un-

Wedding/Engagement

Mr. and Mrs. Les Laske
Prestemon-Laske

Julie Ann Prestemon, daughter of Dean and Jean Prestemon, Ames, Iowa, and Les Alan Laske, Grayslake, son of L. Lawrence and Barbara Laske, Libertyville, were joined in marriage at 7:30 p.m., May 30, at St. Thomas Aquinas Catholic Church in Ames, by the Rev. Patrick Geary and the Rev. Luke Byrne.

The bride was given away by her parents during the double-ring service.

Maid of honor was Kelye S. Carter, friend of the bride. Bridesmaids were: Laurie Schipper, friend of the bride; Lisa Eberhart and Shelley Sealy, sisters of the bride; and Christy Laske, sister of the groom.

Best man was Larry Laske, brother of the groom. Groomsmen were: Andrew Stone, Rob Strahs, and Bob Link, all friends of the groom; and John LaRoi, brother-in-law of the groom.

Flower girl was Wendy Sue Eberhart, niece of the bride; and ring bearer was Joseph Sealy, nephew of the bride.

Ushers were Steve Prestemon, brother of the bride; and Bart Kort, brother-in-law of the groom.

Readers at the ceremony were Cathryn LaRoi, sister of the groom; Cheryl Kort,

sister of the groom; Mary Prestemon, sister-in-law of the bride; and Greg Prestemon, brother of the bride.

Gift carriers were Beth and Cathryn Beranek, cousins of the groom.

The guest book was attended by Cindy Robinson, and the cake was cut by Kathryn Gilchrist and Kristen Finn, all friends of the bride.

Grandparents attending were: Eva Laske of Wildwood; Josephine Kvavli, Lake Villa, and Grace Prestemon, Waukon, Iowa.

A reception including buffet and dancing, was held at the St. Thomas Lounge.

The couple took a honeymoon trip to Hawaii, and are residing in Grayslake.

The bride is a 1985 graduate of Iowa State University with a bachelor of science in social work. She was formerly employed by Youth and Shelter Services, Inc., Ames, as an adolescent counselor, specializing in chemical dependency problems.

The groom is a 1986 graduate of Iowa State University with a BBA in marketing.

Mr. and Mrs. Victor O'Block
Youngquist-O'Block

Jennifer Youngquist, daughter of Sandra Youngquist, Round Lake Beach, and Victor

O'Block, son of Victor and Julie O'Block, Granger, Ind., were joined in marriage at 11 a.m., May 24, at St. Anthony de Padua Church in South Bend, Ind., by the Rev. John Delaney.

The bride was given away by her mother and her brother, John, at the double-ring ceremony.

Maid of honor was Lori Edenhofer. Bridesmaids were Nancy McKee, Chris Larson (Vern), Donna Lawlor and Deb Boe, all friends; and Lisa O'Block, sister of the groom.

Best man was Paul Brady. Groomsmen were Chris Gumz, Mike Milani, Paul Buckley, and Mick Tondreau, all friends; and David O'Block, brother of the groom.

Flower girl was Suzanne Dobbs and ring bearer was Tim Dohb.

Ushers were Jamie Siek and Robert Zoschke.

The bride attended Round Lake Senior High School and Lake Forest College where she was a member of Phi Beta Kappa (honor society). She is employed by Hewitt Associates, Lincolnshire.

The groom attended St. Joseph High School in South Bend, and Lake Forest College where he was a member of Phi Pi Epsilon. He is employed by Lake County Dept of Planning, Zoning and Environmental Quality.

Skelley-Freitag

Mr. and Mrs. Lyle Skelley, of Gurnee, announce the engagement of their daughter, Traci Ann, to Robert Lee Freitag of Champaign, son of Mrs. Robert Freitag, Worth, Ill. The ceremony will be performed by the

Rev. Corcoran of Immaculate Conception Church, Waukegan, in August 1986.

The bride-to-be is a 1982 graduate of Warren Twp. High School, and a 1986 graduate of Illinois State University with a bachelor of science degree in elementary education (cum laude). She is employed as a camp counselor for Warren Twp. Center Special Recreation, Gurnee.

The groom-to-be is a 1979 graduate of Alan B. Shepard High School in Worth, and a 1984 graduate of Illinois State University with a bachelor of science degree (magna cum laude) in political science. He is a third year law student at the University of Illinois College of Law, and is employed as a law clerk for the Law Office of Anthony E. Novak, Urbana.

The couple plans to settle in Champaign.

Traci Skelley and Robert Freitag

Good Shepherd Offers Detection Program

Unfortunately, there is no way a woman can be certain she won't get breast cancer. But, there are steps she can take to detect breast cancer in the early stage — when the prognosis is best and treatment can be most successful.

One way is to attend Good Shepherd Hospital's free educational program on breast cancer detection. The program will be offered on Thursday, July 17, from 7

p.m. to 8:30 p.m. The program will be lead by Dr. Robert Witkowski, a surgeon on the medical staff of Good Shepherd Hospital, and

Peggy Fredrickson, R.N. Registration is required. Please call (312) 381-9353 for further information or to register.

Branches Hold Picnic

Branches will hold its 4th of July picnic at the home of Paul Smith, 28760 W. Burnett Rd., Island Lake, beginning at noon. Members should bring their own meat, beverage and table service, plus a dish to pass. All singles and their families are invited for a day of swimming, horseshoes, fishing, volleyball and more. For direction call Paul at (312) 526-5345.

Therapy Week

During Physical Therapy Week, Mary Ives (left), physical therapist for the Lake County Health Dept's Home Health Program and a resident of Deerfield, met with aspiring physical therapist and Grant High School student Hollis A. Herbert, of Lake Villa, to discuss career opportunities. They were brought together by Barbara Blann, administrative assistant at the International Mineral and Chemical Company, Mundelein. IMC is a member of the Lake County Career Guidance Consortium.

Set Exercise Program

Registration is currently being accepted for the second session of the new "Stepping Out" mother/baby exercise classes offered by Condell Memorial Hospital, beginning Monday, July 14.

Classes will meet from 9:30 to 10:30 a.m., Mondays and Thursdays, at The Family Health Center...Hawthorn, Six Phillip Rd., Vernon Hills. The cost of the six-week program is \$40. Enrollment is limited. To register, call the Physical Medicine/Therapy Dept. at (312) 680-1092.

Watercress--Not Just A Garnish Anymore!

What leafy, rich green plant: 1) grows along the edge of brooks or springs; 2) turns up in supermarket bins with parsley; 3) is available year-round; 4) puts a bite in salads; 5) makes an unusual soup?

Watercress

In all-green salads, watercress is most compatible with romaine lettuce and, of course, parsley. But it also mingles well with escarole or Chinese cabbage.

In salad combinations, it is most at home with mushrooms, but adequately supports the avocado.

The tender, green leaves turn yellow when they lose their freshness. To inhibit discoloration, place watercress in a large jar with a little water, screw on the lid and

refrigerate. But don't wait long to use it.

While watercress has a garnish reputation to uphold, it provides soups with a zing that isn't soon forgotten.

Watercress Vichyssoise

1 quart chicken broth
5 medium potatoes, pared and sliced
1 bunch watercress, washed and drained
1 medium onion, sliced
2 tablespoons butter
1 teaspoon salt
1/3 teaspoon white pepper
2 cups light cream

Place all ingredients except seven sprigs watercress and cream in 3-quart saucepan; bring to boil on high heat. Reduce to medium

high, cook until mixture reduces by half, about 25 minutes, and let cool. In blender, liquify mixture, pour into large container with cover; stir in cream, secure lid and thoroughly chill. Yields about seven cups. Serve in chilled soup bowls and garnish with watercress.

Watercress-Mushroom Salad

2 bunches watercress, washed and drained
1 pound mushrooms, washed and thinly sliced
1 1/2 teaspoons salt
1/3 cup white wine vinegar
3/4 teaspoon black pepper
1/3 cup olive oil
1 1/2 tablespoons Dijon mustard

Refrigerate watercress in large salad bowl. Put mushrooms in large shallow dish. Place salt in small bowl, pour on vinegar and stir to dissolve salt; add pepper, oil and

Pilot Light
GREG MELIKOV

mustard; mix well. Pour over mushrooms and refrigerate one hour. Pour mushrooms and dressing over watercress and toss. Serves six to eight.

Wheels On Wheels Program Makes Debut

Wheels on Wheels, a brand new transportation service for the physically handicapped, has hit the highways of Lake County.

The brainchild of Lindenhurst resident George Roggy, Wheels on Wheels is designed to pick up where other transportation services leave off. It provides door-to-door livery service between points anywhere in the county, round trip or one way, from 6 a.m. to 9 p.m., seven days a week, including holidays. Trips to locations outside the county, or at

other times, or for those with special needs, can also be arranged.

Roggy, who prefers the term "physically challenged" over "handicapped," believes that his new Wheels on Wheels will go a long way toward ending the confinement and bringing about the freedom that handicapped citizens are so often denied.

"Transportation is 50 percent of the physically challenged person's problem," he says. "Being

able to go wherever we want, whenever we want, can bring us a whole new sense of independence."

Roggy predicts that riders will use Wheels on Wheels for trips to therapy, medical, dental and clinic appointments, trips home after hospital discharges, trips to and from O'Hare, Midway, Waukegan and Milwaukee airports, and social and recreational outings.

He reports that he has also had interest from employers who may contract with

Wheels on Wheels to transport physically challenged employees to and from work.

The specially equipped Wheels on Wheels van, driven by a licensed emergency medical technician, can hold up to six people at one time. It has a back lift for easy wheelchair loading. One adult or aide may accompany each rider at no additional charge.

The idea for Wheels on Wheels came about when Roggy, a disabled Navy veteran of the Vietnam era confined to a wheelchair,

had the need for good quality transportation across the county, but found no such service. His dream of a special livery service for people in wheelchairs and with physical challenges grew until June 23, when Wheels on Wheels made its first run.

Reservations for rides are taken between 6 a.m. and 9 p.m. daily. When the dispatcher is not available, an answering machine will

be in service. Wheels on Wheels accepts Visa, Mastercard and American Express.

"There is no much hardship that physically challenged individuals must endure," says Roggy. "I hope Wheels on Wheels will help in doing away some of it."

For more information on Wheels on Wheels, or to arrange for a ride, phone (312) 356-3027.

Everybody Has A Favorite Pet

by CHARLENE WHITNEY

Most people like animals and everyone has their favorite. If you could look into other homes, you would find a variety of pets.

The dog is the most popular pet today. The cat is close behind in popularity. The cat's nature is very different from the dog.

Birds are popular pets. Their beauty and song holds much enjoyment for the owner.

Talking birds, so brightly colored, are fun and interesting. They are intelligent, playful, acrobatic, and very vocal. The males are more vociferous than females.

Tropical fish are a relatively new hobby. Many

varieties of tropical fish are bred.

Goldfish are domesticated from the carp that is native to China. Often the small goldfish is kept in a bowl, but also put in ornamental pools. Some varieties were bred with double tail and flowing fins. They can hardly swim and have to be fed by hand.

Hamsters are another favorite pet. All golden hamsters are descended from three individuals that survived out of a family of a mother and her 12 babies, dug up from a deep burrow in the Syrian desert in the 1930's.

Now there are many varieties of hamsters, such as angora or long-haired, along with several different colors. There are about 14

hamster species.

Gerbils are desert-dwelling rodents. There are some 50 species. Two types are commonly used as pets.

Fancy pet mice such as the piebald make entertaining pets for children. Mice are sociable creatures, hardy and clean. They overpopulate quickly. There are about 700 varieties.

Rabbits are common pets. Some rabbits can be surprisingly fierce and not suitable for children. Angoras have a very gently disposition, but their long fur requires daily attention. There are many breeds and many colors, long and short haired.

Guinea pigs are a favorite of children because they can be easily handled. There are about 12 species of wild Guinea pigs.

Guinea pigs are not from Guinea and they are not pigs. They were discovered by Columbus in 1498.

They are timid, gentle animals. They will come running to greet their owner.

Horses and ponies are wonderful pets if you have the right place to keep them.

Donkeys and goats are pets that need room and a place to be kept. Goats are well-known for their ability to eat anything. This is not a good idea for the goat's stomach. They are intelligent and sometimes too resourceful.

Other pets may be chickens, ducks, or geese.

Since the chicken was domesticated, no other bird has spread so widely throughout the world.

The domestic duck came from two wild species, the muscovy and the mallard.

Pet ducks may be kept for shows or kept in a nearby pond.

Pet-Wise

The goose and the pigeon have equal claim to being the first domesticated birds. In 2000 BC geese were kept by Egyptians.

Chinese geese are often kept as pets. They make good lawn mowers and great "watch dogs." They don't need to swim, so a pond is unnecessary. A goose can live to be 30 years old.

Wild animals do not make good pets and should not be kept. The law doesn't allow people to keep wild animals as pets. They belong back in the wild and free.

As you can see there are pets of all sizes and all types. If you plan to get a new pet, it is best for you and your future pet that you learn about his proper care before bringing him home. You'll be able to relax and enjoy having him.

Plan July Sessions

Although many groups take a break during the summer, several of the prenatal programs at Condell Memorial Hospital, a subsidiary of The Medical Center of Lake County, will begin new sessions in July.

Registration is being accepted now for the second session of the recently introduced Gamper Natural Childbirth classes. The next session will begin Tuesday, July 22, at 7 p.m., and will be held on consecutive

Tuesdays, for 10 weeks.

Although not for the pregnant woman, the Sibling Class, set for 3 p.m., Sunday, July 20, helps youngsters ages two-and-a-half through nine years old, prepare for the arrival of a new baby in the family.

To register for any of these classes or for information on registration and fees, call the Dept. of Public Relations and Marketing at (312) 362-2900, ext. 5275.

Fireworks Can Be Dangerous

The Fourth of July means fireworks, but fireworks mean danger and in all too many cases, serious injury.

Even though the number of fireworks injuries to the eyes alone in Illinois dropped slightly in 1985 from 1984, they were still double those of 1983, according to Edgar T. Britton, executive director, Illinois Society for the Prevention of Blindness.

All kinds of injuries from fireworks have doubled in 10 years, according to the Illinois Dept. of Public Health.

The hands, eyes and face are the most vulnerable and while burns, lacerations and abrasions are the most common injuries, severe burns, blindness and amputations are also caused by the explosives.

For eye injuries alone, more males than females continue to be injured by three to one, according to the annual survey of Illinois ophthalmologists and hospital emergency rooms by the ISPB. Forty percent of the injuries to the eyes are among 10-19 year-olds and almost 25 percent were among 20-29 year-olds. The youngest victim was a three-year-old girl and the oldest, an 84-year-old woman—both ironically injured by debris at public displays, which are generally considered to be a safer way of enjoying fireworks.

Injuries to the eyes from floating ashes and burning debris at public displays quadrupled, according to the survey, and 15 people were injured seriously enough to seek medical help. Only one

person lost an eye last year compared to the three people who lost eyes the preceding year—but still one eye too many the ISPB feels.

Sparklers which have began legal again in Illinois are especially dangerous because they are wrongly assumed to be harmless. Especially attractive to and usually reserved for young children, sparklers burn at 1800 F. and are often waved about wildly.

Concerned by the statistics, the Illinois Society for the Prevention of Blindness formed a coalition of 13 other organizations with similar interests in safety to conduct a public education program to keep adults and children aware of the dangers of fireworks.

Organizations working with the Illinois Society for the Prevention of Blindness in the public education program are: Chicago Fire Dept.; Chicago Hospital Council; Chicago Medical Society; Chicago Ophthalmological Society; Chicago Police Dept.; Chicago Region PTA; Illinois Chapter, American College of Emergency Physicians; Illinois College of Optometry; Illinois Hospital Assn.; Illinois Optometric Assn.; Illinois State Fire Marshal; Illinois State PTA; and Prehospital Care Providers of Illinois.

The Illinois Society for the Prevention of Blindness was founded in 1916 to prevent needless blindness. Dedicated to the care, protection and preservation of sight, its programs stress education and information.

What's Happening ...

Singles To Dance

All singles are invited to a Combined Club Singles Dance with the live music of Moonlighting at 8:30 p.m. on Saturday, July 5, at the Wheeling-Northbrook Holiday Inn, 2875 N. Milwaukee Ave., Northbrook. The dance is co-sponsored by the Northwest Singles Assn., Singles & Company, and Young Suburban Singles. Admission is \$6 for non-members, \$5 for members. For information call (312) 725-3300.

Aware Holds Dance

The Aware Singles Group invites all singles to a dance with the live music of Current Times at 8:30 p.m., Friday, July 11, at the Arlington Park Hilton Hotel, 3400 Euclid Ave., Arlington Heights. Admission is \$6 for non-members. For more info, call (312) 777-1005.

Dance To Franke & Co.

The Aware Singles Group invites all singles to a dance with the live music of Franke & Co. at 8:30 p.m., Friday, July 18, at the Arlington Park Hilton Hotel, 3400 Euclid Ave. and Rohlwing Rd., in Arlington Heights. Admission is \$6 for non-members. For more info, call (312) 777-1005.

Retired Teachers Meet

The retired teachers' association of Lake County will hold its monthly luncheon meeting, Tuesday, July 8, at noon at the Northern Chalet Restaurant, Libertyville. Featured program will be "Remember the Car," a nostalgic visual presentation of the development of the automobile. Teachers retiring this year, as well as all retired teachers and their friends are cordially invited.

Moms Of Twins Meet

Double Dilemma Mothers of Twins Club will meet Tuesday, July 8. Meetings are held at the Crystal Lake Ambulatory, Rte. 31, Crystal Lake. A basket-weaving demonstration will be featured. The club is open to all mothers with children of multiple birth, and expectant mothers of multiple birth. For further information, contact: Janet Cain at (815) 459-6639; Kathy Vidas, (815) 338-9104; and Ann Buschick, (312) 526-2182.

LCCS To Hold Meeting

Lake County Council for Seniors will hold a meeting for leaders of senior organizations on July 10 in the senior center in Deerfield's Jewett Park. The meeting is for the purpose of forming a central source in the county to monitor the actions of federal, state, county and cities regarding laws, regulations, and ordinances that effect Lake County Seniors. The meeting will begin at 9 a.m. with a \$3 breakfast. To register for the meeting or for information, call the LCCS at (312) 244-1720; or mail your name, address, phone number and senior organization you will represent, along with \$3 for breakfast, to LCCS, 1 N. Genesee St., Waukegan, IL 60085.

Blue Lites Meet

Blue Lite Singles will meet for a general meeting at 7:30 p.m., Thursday, July 3, at the Moose Lodge (lower level), 2755 Washington St., Waukegan. Dinner will be available in the dining room at 6:30 p.m. All singles are welcome. For more information, call (312) 662-0354, (312) 662-8609, or Gary at (312) 662-7979.

Epilepsy Group To Meet

Epilepsy Services For Northeastern Illinois (ESNI) has announced that its Lake County Self Help Group is now meeting at St. Therese Medical Center, 2615 Washington, Waukegan, on Friday nights. For more information call ESNI at (312) 433-8960.

'Independence Day Dance'

The Aware Singles Group invites all singles to an "Independence Day Dance" with the live music of Current Times, at 8:30 p.m., Friday, July 4, at the Arlington Park Hilton Hotel, (3400 Euclid Ave.) Arlington Heights. Admission is \$6 for non-members. For more info, call Aware at (312) 777-1005.

No-Load Life Insurance Very Equitable

Like cost-conscious airlines and auto companies, the life insurance industry is joining the national craze of "no frills" marketing.

The latest wrinkle is "no-load" life insurance. It's really "no-frills" life insurance, with no hidden fees.

Unlike conventional life insurance policies, all fees involved in a no-load policy are itemized and are separate from the policy, so you know exactly what everything costs.

Agents selling no-load life insurance work for the consumer as insurance consultants—not as agents for the insurance company.

"I work for and get paid by my clients—insurance companies pay me nothing," said Ted Bernstein, a licensed life insurance broker specializing in no-load life insurance.

"Customers ask our advice or tell us what they want from their policy, and we find them the best deal we can," said Bernstein, president of Assured Enterprises Ltd., based in Skokie.

His fee for the service can run as high as \$5,000. He can be paid by a flat fee or by commission, but his fee is always negotiable.

That alone is a major change because it is against the law in all 50 states to negotiate the salesman's commission with a regular insurance agent.

"The law is supposed to protect the consumer, but it really is a restraint of trade, preserving high insurance commissions," said Bernstein.

It is completely legal for Bernstein's fee to be negotiable because he is acting as his client's representative, not the insurance company's.

On the surface, \$5,000 seems like an awfully steep price to pay for life insurance consultation. But when you look at how life insurance works, it makes sense.

—THE COMMISSION SYSTEM - Life insurance agents make their money from commissions on the policies they sell. When an agent sells a \$1 million policy to a 40-year-old

man, the first year's premium will be approximately \$8,000. A typical agent makes that \$8,000 plus 10 percent per year after that as his sales commission.

Under the commission system, the cash value of life insurance typically is zero after the first year and little more than that after two years. If you are unhappy with the policy and want to change companies, that's your tough luck. The reason for this is that the first-year \$8,000 premium is commission, a sales expense which cannot be recouped.

In addition, insurance companies offer agents perks like free trips and prizes. Sometimes they offer to pick up overhead expenses if he agent brings them a certain amount of business.

Let's suppose that an agent needs to sell only one more policy for the Easy Life Insurance Co. to get a free trip to Bermuda. You go to him to buy your life insurance, but the Big Payoff Insurance Co. really has a better policy for you.

The agent's choice is between a better policy for you or a free trip for him. Too often the next time you see the agent he'll be sporting a new tan.

—THE NO-LOAD ALTERNATIVE - No-load gets rid of the sales commission so that your policy accrues cash value from the start.

With a no-load policy, the cash value of the 40-year old's same \$1 million policy after one year is \$8,000, minus about \$500 for the real cost of the insurance protection.

When you buy no-load, the \$5,000 you pay the agent is the sales expense, so already you have saved yourself at least \$2,500. (You also save by having a greater cash value in your policy.) "A no-load agent's fees are always cheaper than commissions," Bernstein said.

In addition you receive the no-load agent's expert advice. "It's amazing how little most people know about their life insurance policy," Bernstein said. "Next to real estate,

it's probably your most valuable asset. Part of my job is to show you just how valuable that is."

If you already know about insurance and know what kind of policy you want, you can do business with a no-load agent like Bernstein through the mail or by phone, and he will pass the savings to you.

He also will give you his guarantee in writing that if you are not happy with your policy, he will change companies (assuming that you are insurable) for a policy of equal value at no charge. This gives him an incentive to find you the best policy for your needs the first time around.

If you change companies with a regular agent, under the commission system he gets a whole new commission. This creates an incentive to advise you to change companies frequently, regardless of what is in your best interest.

—WHY NO-LOAD IS BETTER - No-load simplifies the process of buying life insurance. Consumers are better off because they get better service at a cheaper price.

And, insurance companies profit because they have eliminated their sales expense, and they don't have to provide perks to agents.

Therefore, the cost of insurance is reduced to the bare essentials: the real cost of insurance protection, the expense of doing business and the interest paid on policies.

However, Jay Jaffe, vice president of Tillinghast, Nelson and Warren, actuaries to

the insurance industry, gave the following warning about no-load insurance:

"Insurance companies have clerical and processing expenses to maintain a policy from year to year. (The expense dollars are essentially the same for a \$50,000 policy and

The Meyers Report

Economic forecaster Gary S. Meyers has been a lecturer and consultant to major financial institutions, government analysts, real estate developers and daily newspapers throughout the nation for the past 16 years. Readers are invited to submit comments and questions for possible use as subjects for future columns. Write Gary S. Meyers & Associates, Ltd., 20 W. Hubbard, Chicago, IL 60610.

a \$250,000 policy.) In order to allow for the expense, insurance companies may credit lower investment interest rates on no-load policies than on conventional programs."

Jaffe noted: "It really is a matter of comparing the savings on the premium versus the interest received. For most people with large policies the no-load concept probably is a better mouse trap."

Honor Travel Center

Cruise Tours Travel Center has been awarded the "Top Producers" plaque from Carnival Cruise Lines. Cruise Tours has won this award for the last three years.

Owners Bob and Carol Neumann of Fox Lake will be in Miami on July 2-4 to celebrate the inaugural voyage of Carnival's new ship, the M.S. Jubilee. The 48,000 ton M.S. Jubilee

will enter passenger service on July 6 with seven-day service from Miami to Cozumel, Grand Cayman and Ocho Rios.

All together, the Neumanns have sailed on 33 ships and nine inaugurals.

Cost Controls Bringing Results

During the first three months of 1986, Commonwealth Edison's cost containment program reduced operating and maintenance expenditures by \$27 million compared to the similar period one year earlier, according to Dennis Bieschke, Waukegan district manager.

The program, introduced in October 1985, is aimed at

maintaining a flat level of operating costs through 1988 in an effort to minimize future rate increases. All areas of the company are spending less without compromising safety or the quality of service to customers, according to Bieschke.

Highlights of the program include:

—a reduction in the total workforce of over 300 positions, accomplished through a complete, on going freeze on hiring plus normal attrition.

—a more than 30 percent reduction in overtime, primarily through the re-scheduling of work. Reductions in overtime work do not apply to the emergency restoration of electric service.

—wage containment, including a freeze on middle and upper management

salaries, saving over \$9 million.

—a savings in telephone expenses amounting to \$2.5 million.

—cancellation of various internal programs, including four major annual conferences.

—consolidation of two operating areas with counterpart operations at an ultimate annual savings of approximately \$15 million.

Other steps are being taken to effect additional savings, Bieschke added.

Seeking Art Show Participants

The Chain O'Lakes Cultural Arts Assn. is looking for artists to participate in their Fine Arts in Autumn Show which will open Aug. 29 at Second Federal Savings and Loan in Fox Lake. Painting, sculpture and mixed media pieces will be shown. For details, write to the Chain O'Lakes Cultural Arts Assn., Box 394, Fox Lake IL 60020.

The Lesson Tee

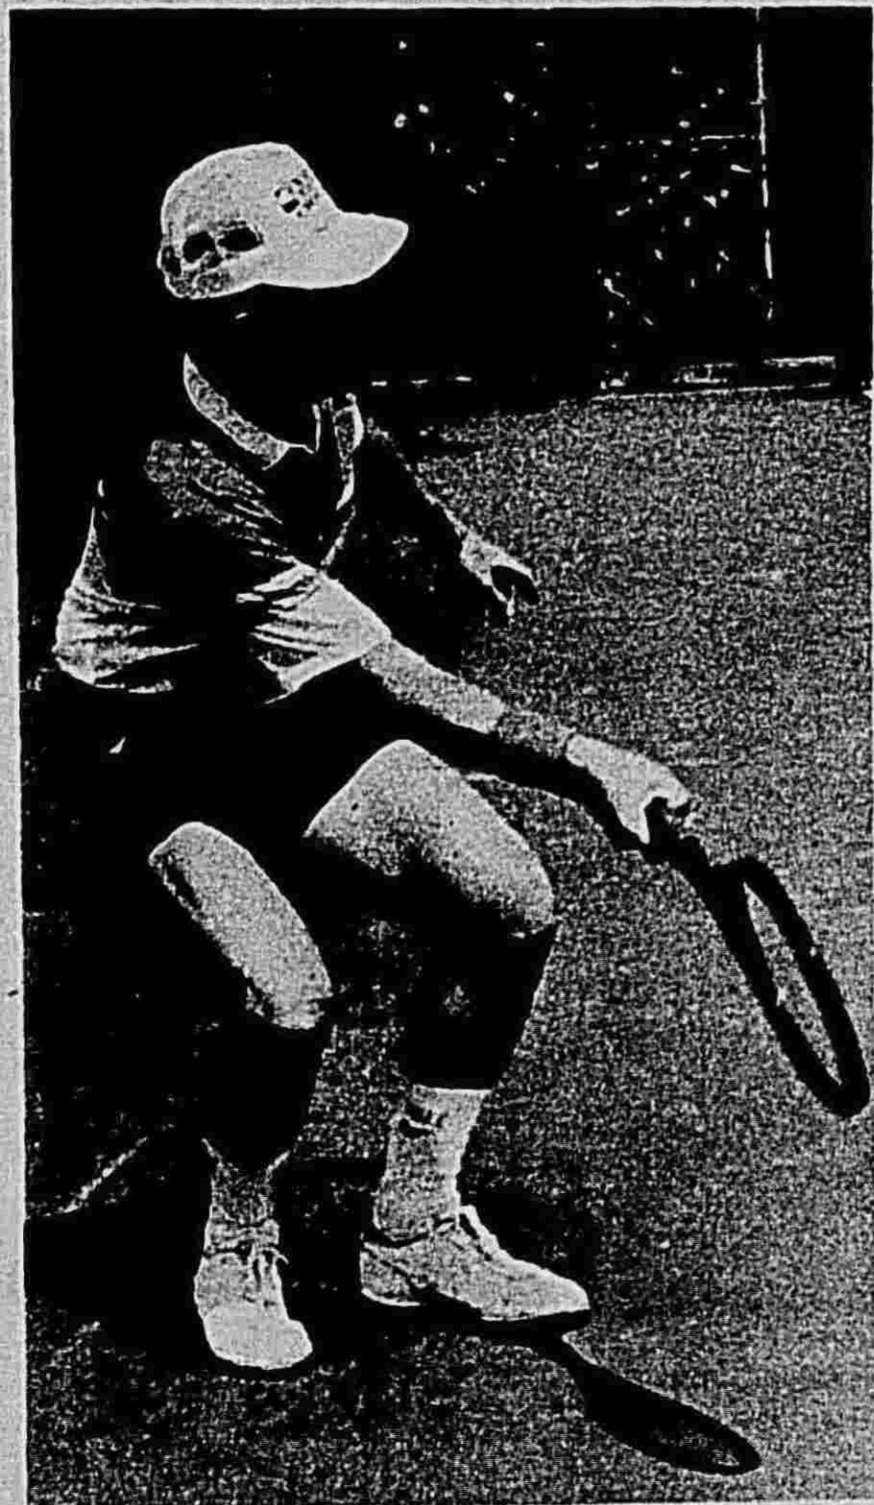

By Gary Flowers
Old Oakland Golf Club
11611 E. 75th St.
Indpls., IN 46236

Q: Do you have any suggestions on how to handle that tight tensed up feeling I always have during the first couple of holes?

A: That "tight tensed up feeling" you mention is familiar to me and to anyone who hopes to play well. In fact it is a part of any situation where we strive to produce worthwhile results. Because it is such a natural part of wanting to do something well, I do not dread or try to avoid tension. I know that to one degree or another it will be present on the first tee and I use it as a tool to increase my concentration. In other words, I am not standing over the ball thinking of an earlier conversation in the locker room or pro shop. Because I am somewhat tense, I am concentrating on my target line, alignment, a smooth swing, etc. Tension is simply a signal to me that I am in a situation where I need to pay special attention to the task at hand and that is exactly what I do. Now, if you feel that tension is adversely affecting your coordination, then you must practice doing just the opposite of what you are in the habit of doing, which is rushing. Rush to the golf course, to the locker room, and to the tee in order to get through those first few shots as quickly as possible. There is a much easier and more enjoyable way—slow everything down. Start by allowing plenty of time to drive to the club and refuse to hurry as you prepare to play. If you normally ride, you should walk the first couple of holes in order to maintain the feeling of not being rushed. As you walk, you have the time and quietness necessary to plan your next shot. By the third or fourth hole you will be playing smoothly and you won't have given away those first two holes. Remember, tension will help your game if you realize it is a reminder to pay close attention to each shot. Don't destroy its usefulness by rushing. Slow down!

Warming Up

Dennis Daly warms up for the championship match with Fred Acosta in the Lakeland Newspapers - Coca Cola tennis series. Acosta won the match at the Gurnee Park Dist. 6-2, 6-1. The series' next stop is at Zion Park Dist. July 11-12. — Photo by Steve Peterson.

Name Flemming Coach

Reggie Flemming will coach the Grayslake hockey team in 1986-87.

The GCHS board of education made it official at its June meeting. Flemming will take over for Dave Whale, who resigned after last season.

"We were looking for someone with a hockey background and Reggie certainly has had an extensive background in hockey,"

Grayslake Supt. Griff Powell said.

Flemming earned his reputation as a hard-hitting player for the Chicago Blackhawks in the 1960s. He was known for spending many moments of a game in the penalty box.

After his playing career ended, Flemming coached at Hersey High School in Arlington Heights. He is now a distributor for a sporting goods firm in Chicago.

"The parents are really excited about it and the kids are excited about it," Powell said.

"I know there will not be any discipline problems," Powell said.

The Grayslake hockey program has had a tough time fielding competitive teams in the Northern Illinois Hockey League dominated by Zion and Crystal Lake squads.

Furlan Sponsors Tournaments

Dug Out Park in Trevor, Wis. has set the dates for two more softball tournaments.

On July 4, 5 and 6 there will be a Firecracker 12-inch U.S.S.A. Tournament. This is a state qualifier for class "D" teams. The entry fee is \$100 for this double elimination tournament.

Then on July 12 and 13 there will be a co-ed 12-inch tournament. The entry fee is \$80.

There will be trophies and championship t-shirts awarded in each tournament. For more information, please call Tom Furlan at (414) 862-9936 or (312) 395-5788.

The park is located on Hwy. 83, two miles north of the Illinois/Wisconsin state line.

Lake Villa Twp. Baseball Pinto League Standings as of June 21:

EAST DIVISION

TEAM	W	L
Braves	9	1
Blue Jays	6	4
A's	2	7
Twins	1	9
Cubs	1	9

WEST DIVISION

TEAM	W	L
Yankees	9	1
Rangers	8	2
Mets	7	3
Pirates	6	4
Indians	0	9

To Sponsor Tourney 12-Inch

The Waukegan Park Dist.'s 1986 Mid-Summer Men's Softball Tournament will be held on July 12 and 13.

A registration fee of \$85 is now being accepted at the Belvidere Recreation Center, 412 S. Lewis Ave. The registration deadline is Saturday, July 5, at 5 p.m.

This double elimination

tournament is open to all men's non-classic and non-capitol teams. A minimum of 16 teams is required to hold the tournament and a maximum of 40 teams will be accepted.

Trophies and cash prizes will be awarded to the top three teams.

Grant Wins 2 of 3 In Pony Action

The Grant Twp. Pony League team won two of three games the week of June 18-25.

On June 18, Grant slugged Round Lake 14-8 at home.

Jim Timblin was the winning pitcher.

Hitting stars included John Neumann and Aaron Kania with three singles; Steve Maiworm, Randy Gomez and Tony Pintozzi had two singles and Jim Maiworm contributed a single.

Grant topped Grayslake 8-5 June 20 as Neumann was the winning pitcher.

The game was tied 3-3 after seven innings of regulation. Grant then scored three times in the eighth to win.

Phil Demsky was the pitcher for Grayslake.

Kania started the game with a double to right field. Steve Maiworm hit a triple to center and was driven home Gomez with a single down the third base line. Gomez then scored on a Neumann single.

John Ferrigan picked up the save.

Good For Business

The hometown Lakeland Newspapers offer the most comprehensive coverage of local business of any available publication, another reason why reading this newspaper regularly makes sense.

North Chicago handed Grant a 12-9 loss June 23. Ferrigan was the losing pitcher.

Defensively, Tom Krob played a strong game at first base substituting for vacationing Jamie Maiworm.

Ferrigan had a bases-loaded double to help Grant's attack. Neumann and Ricky Twarowski had rbi singles. Gomez drove in a run with a sacrifice.

by DANG O'SHEA

After Grayslake's Colt League baseball team lost 10 of its first 11 games, Coach Jim West cited some of the problems plaguing the Colts.

According to West, there has been some weak pitching as well as shaky defensive support in the Colts' first 11 games. "We're also having trouble scoring with two outs and runners on," added West.

However, West also said that the team has been playing well of late. "Steve Scholtz has been a pleasant surprise. Also Che Kirby, Greg Dunski and Tim West have done well lately."

The Grayslake Colts were swept by Lake Zurich in a June 28 doubleheader by scores of 13-4 and 7-2. Kirby had four hits in the two games. Scholtz had three hits and two runs batted in.

On June 26, Grayslake faced North Chicago and lost 12-3. Dunski showed some unexpected power, smashing a two-run homer. Tim West went two for four.

On June 24, the Colts were beaten by Gurnee 15-7. Dun-

ski and West were both two for four and Scholtz had a three-run double.

Grayslake scored its only victory two weeks ago against Round Lake.

July 3 Battle Loss Spurred South Defeat

by JOHN STEINKE

On July 1-3, 1863, Gen. Robert E. Lee's 75,000-man Army of Northern Virginia engaged Gen. George Meade's 84,000-man Army of the Potomac in the bloodiest battle of the Civil War at Gettysburg.

By the end, 51,000 men had been killed or wounded or were missing. (The Korean War killed 54,246 Americans. Our country sacrificed 58,022 lives in the Vietnam conflict.) Though the Civil War was to grind on for nearly two more years, the outcome was

to be settled here, once and for all. When the battle of Gettysburg was over, Lee retreated South, and the Confederate cause began the steady slide toward the surrender at Appomattox.

The key clash that decided the struggle was Pickett's charge. On July 3, 1863, Confederate Maj. Gen. George Edward Pickett led his division in a direct assault on the center of the Union lines. The long lines of Confederate troops emerged from the wooded

shelter of Seminary Ridge onto the open ground. In all, there were 12,000 soldiers in the attack, commanded by Pickett, mounted on a black charger. With flags flying bayonets glittering and drums beating the Gray regiments dressed ranks and strode proudly toward the enemy.

Halfway to the Union line, they stopped to remove a split-rail fence along the old Gettysburg-Emmitburg Road. The pace of advancing troops quickened, and it turned into a running charge. At point-blank range, the boys in blue unleashed a withering barrage of musket and cannon fire, that tore wide gaps in the Confederate formations. With incredible bravery, the southerners charged into the deadly wall of fire.

It was a bloody massacre. As men dropped, others surged to take their place. Their fighting spirit carried them right to the Union defense line. Then, exhausted the Confederate forces fell back. The carnage was staggering. Some 8,000 men lay dead or wounded. Two-thirds of the attacking force were casualties. The dazed survivors stumbled back through the heat and the smoke to Seminary Ridge. General Lee had ordered the thrust at Meade's center. He viewed the disaster. Turning to one of his aides, he

lamented, "All of this has been my fault."

The Battle of Gettysburg was over. Lee had failed in his final great effort to win a victory in the North. The next day the vanquished southerner fell back to Virginia at the head of a 17-mile train of wagons bearing his wounded. The Union commander, General George Meade, could have ended the war then and there if he had pursued the rebel army as it retreated southward from Gettysburg. Lee could not have evacuated his men across the storm-swollen Potomac River. If Meade had pursued Lee, he could have destroyed the Army of Northern Virginia, ending the Civil War in 1863.

Steinke On Politics

On Nov. 19, 1863, President Abraham Lincoln observed, "the world will little note, nor long remember, what we say here, but it can never forget what they did here." This sentence was the beginning of the Gettysburg Address.

National Assn. Recognizes State's Attorney's Programs

Three programs from the Lake County state's attorney's office have been recognized by the National Assn. of Counties for 1986 Achievement Award winners.

The programs are the Lake County State's Attorney's Career Offender/Narcotics Unit, the County of Lake Self-Insurance Legal Defense Program, and the Lake County State's Attorney's Child Sexual Abuse Review Team.

In a letter to Lake County State's Attorney Fred L. Foreman from John T. Thomas, the executive director of the National Assn. of Counties, Thomas stated, "We, at the National Assn. of Counties, are pleased to announce that you have been selected as a 1986 Achievement Award winner for your programs. We take this opportunity to commend your ingenuity and creativity in establishing useful programs for county government. Given the nature of the times it is especially important to develop innovative solutions to the problems that arise."

Since 1980, the office of the state's attorney has won six national awards. In 1982, the Victim/Witness Assistance

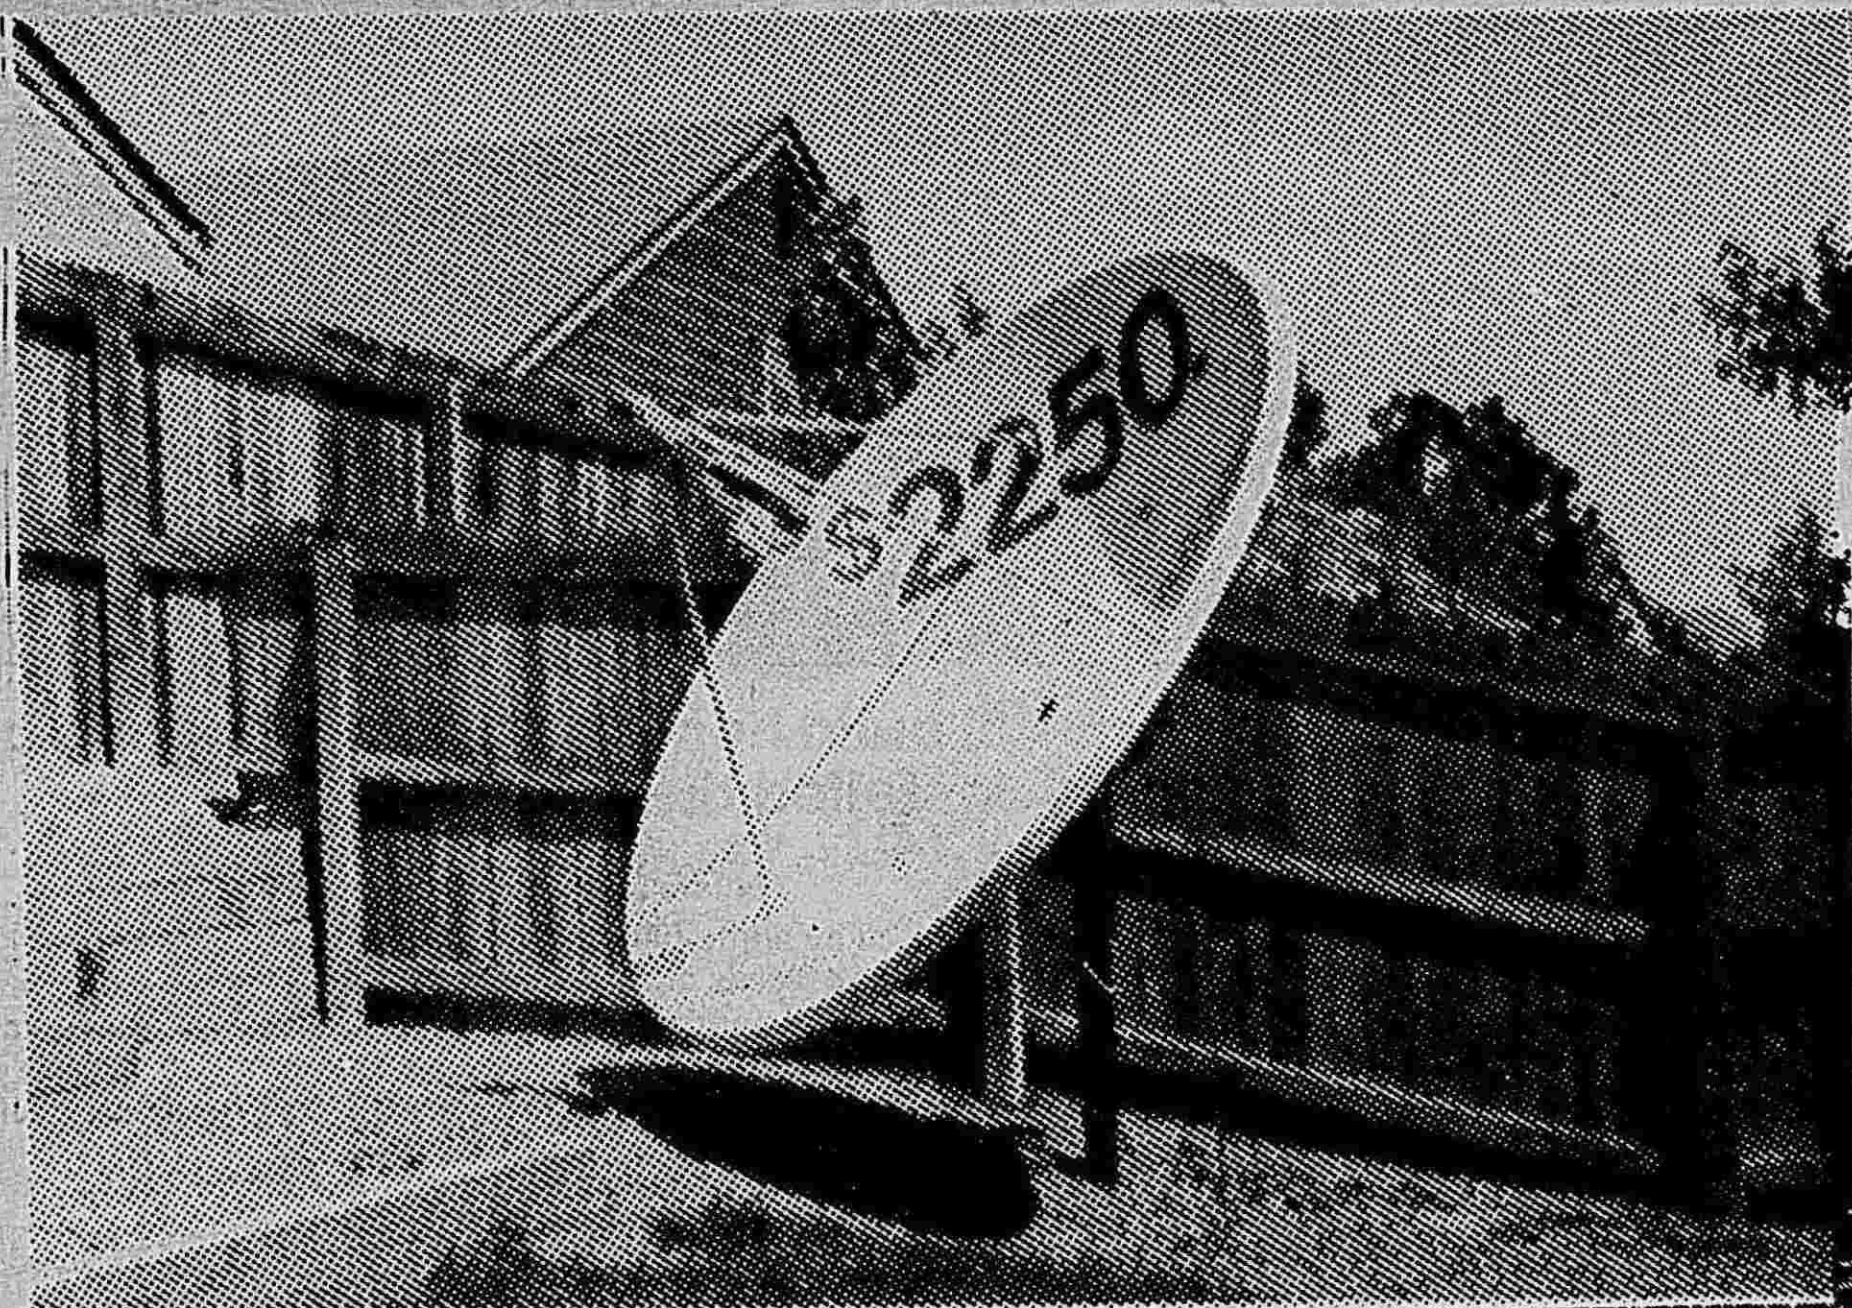

Program of the state's attorney's office was given an award, and in 1985, two programs, the Child Support Enforcement Program and the Felony Review Program, were also awarded national awards.

In other news, the

nominating committee of the National Dist. Attorney's Assn. has announced that Foreman has been nominated for a second term as treasurer of the National Dist. Attorney's Assn.

Foreman is the only office holder in the association from Illinois.

BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services. Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

What does this mean for satellite dish owners?

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

Make your decision based on the facts.

This message is brought to you as a public service by U.S. Cable.

Awarded

College of Lake County part-time psychology and education instructor Bernard Karlin is the recipient of the 1986 "Outstanding Principal Award" presented by the Citizens School Committee. Karlin has taught a variety of courses part time at CLC for the past six years. He was honored for his work as principal of the Montefiore Special School and Family Guidance Center in Chicago. Karlin was chosen from a group of 30 principals nominated for the award.

Group Offers Speakers Bureau

The Big Brothers/Big Sisters of Lake County's Speakers Bureau wants to tell local organizations about the joy of volunteering.

Big Brothers/Big Sisters is a non-profit youth service organization that provides youths from single-parent homes a friendship relationship on a one-to-one basis with adult volunteers.

The speakers bureau, which consists of active big brothers and big sisters, agency board members, staff, and parents whose children have benefitted from the program, represents a wide

geographic scope of Lake County communities.

The volunteers are available, at no charge, to speak on a variety of subjects concerning their volunteer efforts. Topics include personal fulfillment of volunteers; ways to reduce stress; and supporting the single-parent family and home.

For more information, or to book a speaker, call the Big Brothers/Big Sisters' office at (312) 360-0770. Please give one to two weeks advanced notice to reserve a speaker. Big Brothers/Big Sisters is affiliated with the United Way.

To Up Tuition At County College

The College of Lake County (CLC) Board of Trustees approved a \$2 per credit hour tuition increase at their June 25 meeting. The rate increase is effective for the spring, 1987 semester. The \$26.10 per credit hour rate is still \$1 below the average tuition rate of \$27.10 for community colleges throughout the state of Illinois.

Also approved was an 8.5 percent salary increase for CLC staff. The increase is effective July 1.

A report to the board on the progress of the \$7.4 million science and student services wing indicated delayed completion date but partial occupancy has been set for Aug. 25 to accommodate scheduled classes for the fall semester according to Joseph Legat of Legat Architects, Inc. Complete occupancy is set for Nov. 15.

The board appointed Terrence Spets as director of student recruitment. Spets currently serves as assistant director of admissions and records, a position eliminated during a recent administrative reorganization. He starts his new duties July 1.

In other action the board: — approved the drawing of bid specifications by the college's consultant TelCon, to purchase a new switchboard with a capacity for 600 phones, an increase of 200 phones. The new system and wiring in the still-under-construction student services and science wing will also have computer capacity for the colleges computer system.

— approved a comprehensive plan to update the college's mainframe computer system through the purchase of some new equipment, the sale of some current equipment, and the return of some leased equipment. The plan should result in a reduction in computing costs while expanding computing capacity.

— engaged the firm of Clifton, Gunderson and Co. of Libertyville to conduct the college's general audit and other audits as required by the Illinois Public Community College Act.

— awarded a contract to Image Productions of Libertyville to produce a student recruitment promotional video.

— renewed an agreement with the Lake County Area Vocational Center for joint facility usage.

Board chairperson Millicent Berliant reported that the trustees had begun discussion and consideration of the process of selecting a new college president. Current President John Hunter is leaving in August to accept the presidency of Alfred State College in New York.

"We are moving forward thoughtfully to define the process for the presidential search and selection," said Berliant.

"The board considers this the most critical and important responsibility it has. Dr. Hunter is leaving the college in excellent shape. The college is stable and has first-rate administration which will keep things running smoothly while the process is underway."

Assn. To Install New Officers

On Friday, July 11, at 6:30 p.m., the Lake County Bar Assn. will install its new officers for 1986-87.

The installation dinner will be held at the Gurnee Holiday Inn in Gurnee.

The following will be installed: Judge Robert K. McQueen (Judge McQueen is associated with the law firm of Diver, Bollman, Grach & Quade of Waukegan); Albert S. Salvi

(Salvi is in private practice in Lake Zurich); Ned L. Fisher (Fisher is a partner in the law firm of Hall, Holmberg, Roach, Johnston, Fisher & Lessman of Waukegan); Raymond DeMartini (DeMartini is a partner in the law firm of Larson, Gantar & DeMartini of Antioch); and Lawrence J. Petroschius, Jr. (Petroschius is a partner in the law firm of Petroschius & Petroschius of Waukegan).

Editor's Viewpoint

(Continued from Page 2B)

wavering concern about quality education. Rising taxes is an ever present problem. Around here, open space is a critical commodity. So is privacy. Stop two persons on the street, and you'll get two different opinions on what kind of job is being done at village hall. Nothing like lively local political debate. The Saturday afternoon football game was and still is the biggest thing in town. The only thing rivaling it is the Friday night basketball game. Boy, do we love a hometown parade, especially with our local firefighters leading the way with sirens wailing.

Things are different, though, and lamentably so. Main street as a way of life just as it was a center of commercial and community activity is only a shadow of itself. Sorry, shopping malls hold no fascination for this observer. I miss the drug store fountain where you could get a cup of coffee or a Coke and debate the sorry state of the Cubs or the self punishment Republicans inflict upon themselves. Old-style neighborliness is a thing of the past where families had a genuine interest and concern for fellow townsmen. Our circle of friends is smaller and is based on mutual interests rather than the fact we live in the same town. Growing up is becoming more and more unbearable. In 1956 the bane of youth was wild driving and sporadic beer drinking. Now it's drugs and

unbridled sex. Parents and society have lost control.

Newspapering has changed drastically. Outside of the business office, it used to be a man's world—printing, reporting and advertising sales. It's the opposite today. Reader tastes have changed. In modern journalism, both for community weeklies and the big city, emphasis is on interpretive reporting and "how to" writing. Crime isn't the only social issue we write about today. That's good. "Backyard gossip" columns are gone and no one misses them. Politics and government still is major newspaper fare and that's as it should be. Community newspapers no longer look to main street for an advertising base. The decision making for advertising has shifted from our town to faraway places like Baltimore, Boston, Dallas and Los Angeles.

Editing a newspaper is a never ending challenge. As change swirls about you and your community, you keep doing the same thing—putting words down on paper and working on the next edition. Time flies. Thirty years has been like 30 blinks.

Dining Guide

The good eating spots, whether you're in a hurry, seeking family dining or out for gourmet food for that "special occasion," are featured weekly in Lakeland Newspapers.

Seek Blood Donors

During the summer months, blood supplies are low as fewer mobile blood drives are held and fewer donors are available to donate.

To help keep blood supplies high, Abbott Laboratories, North Chicago, will host a three-day employee blood drive July 21, 22 and 23. The drives will be held at Abbott Corporate offices, 1400 N. Sheridan. Lewis Sita, blood drive chairperson, urges full employee participation in the drive.

This blood drive is held in support of The Blood Center of Northern Illinois, a not-for-profit community service organization. The Blood Center coordinates the regional volunteer blood donor program and supplies whole blood components to 28 hospitals in the Chicago metropolitan area.

"I build homes of distinction and quality. That's why I installed the add-on heat pump."

Roger Gatewood
President, Westfield Development

"The home I built for the Parade of Homes exceeds normal building standards. I combined distinctive architectural design, quality construction, and top-of-the-line appliances and fixtures for gracious, comfortable living.

"But I went beyond that. With the add-on heat pump my home proves you can have energy efficiency in dramatic and appealing surroundings. It's the top-of-the-line as far as efficient heating and cooling are concerned."

The add-on heat pump keeps you cool all summer long. It controls humidity, too. Then in winter it works along side your furnace to keep you warm.

The heat pump operates when outside temperatures are above 30° F. That's when the heat pump keeps you warm more economically than a furnace can. And as fuel costs change, you decide when to use the heat pump and when to

use your furnace. That lets you control your utility costs. You just select the fuel that saves you the most money.

See how distinctive design and energy efficiency combine to set a standard in quality. Visit the Westfield Home at the Parade of Homes now. It's located at the intersection of Rte. 83 and Rte. 22 in Long Grove. The Parade is open now through July 6, 1986, Monday-Friday from noon until 9:00 p.m.; Saturdays, Sundays, and Independence Day from 10:00 a.m. until 9:00 p.m.

Mundelein Community Days

Thru Sunday July 6, 1986

Come join the fun & support your community!

Community Days Offers Fun For Entire Family

If you're expecting out-of-town guests for the weekend and desperately need to dream up a way of entertaining a houseful of guests without a lot of fuss?

Think about a water fight without having the march into the house sopping wet? Or about decorating their bikes for the parade? And if that's not enough, Old Goose, the Kirk Players, a youth band and fireworks are among the other fun activities that will provide enough entertainment for the entire weekend.

It's it all about? It's the annual Mundelein Community Days celebration taking place this week throughout various parts of the village.

What about the kids are taken care of, what about the parents? For them, a colorfully decorated boats parading on Diamond Lake, a Metan Night, a water ski show, street

dancing, a car rally, a carnival and mini food fest are other appealing highlights that will set the festive tone for this holiday weekend.

Plan to make a stop at the Mundelein Munch and sample the many delicious specialties from seafood to oriental cuisine to traditional favorites like pizza. Participating in the Munch are nearby family restaurants including El Barrio's, Pizza Haven, Frank's for the Memories, Hunan North, O'Landos Pizza, Ponderosa Steakhouse, Kentucky Fried Chicken and Family Fish House.

Joining the annual Miss Mundelein and Junior Miss Mundelein pageants this year will be a Little Miss pageant at 7 p.m. Saturday, July 5 at Mundelein High School.

See the complete schedule of activities for Mundelein Community Days for further information.

Residents' Support Adds To Community Days Success

Each year, a number of local organizations and businesses sponsor various activities for Mundelein Community Days.

This year's sponsors include the First National Bank of Mundelein for the Rock the Lions Club for the Street Dance, the Green Country Club for the Water Ski

Show, the Newcomers Assn. for the Bike Decorating Contest, and the Kiwanis Club for the Watermelon Contest.

Also participating as Community Days sponsors or coordinators are the Mundelein Elementary School Dist. 75 Parents' Club for

PLUS A FREE CHECKING ACCOUNT AND CASH STATION CARD FROM GREAT NORTHERN SAVINGS BANK

As little as \$1,000 brings you the highest competitive interest rates with a Great Northern Savings Bank Certificate, and you receive a free checking account and cash station card as well. When you participate in this investment program, you will be joining the more than fifteen thousand families in the Northwest Suburbs that rely on the Great Northern Savings Bank to help with all their banking needs.

Choose the investment plan that's best for you:

Investment Plan	Minimum Balance	Rate	Yield
91 Day Certificate	\$ 2,500	6.65	6.51
6 Month Certificate	\$ 1,000	6.85	7.08
12 Month Certificate	\$ 1,000	7.15	7.38
12 Month Certificate	\$10,000	7.20	7.44
Money Market Account	\$ 2,500	6.50	6.69
Money Market Account	\$10,000	6.60	6.80

And when you open any Great Northern Savings Bank Certificate for \$1,000 or more, or a money market account for \$2,500 or more, you receive a:

CASH STATION®

FREE 5 1/4% Checking Account

No Monthly service charges
 No minimum balance requirements
 Your first 150 personalized checks free
 5 1/4% interest on all funds maintained in your Great Northern Checking Account

FREE Great Northern Cash Station Card

This cash station card enables you to make deposits and withdrawals from your checking account at over four hundred automatic cash station machines in the Chicago Area, and through the CIRRUS network you can make withdrawals from automatic teller machines throughout the country.

Come on in to let us show you how much you can earn with a Great Northern Savings Bank Certificate, and to take advantage of our free checking account and cash station card offer today.

And stop by our Summer Family Fun Center to receive discounts on tickets to family fun stops like Great America, Ravinia Park and Brookfield Zoo.

Humana In Lake County: Will It Be Boon Or Bane?

CHARLES JOHNSTON
On July 10, at 9 a.m. at the Holiday Inn-Mart Plaza in Chicago, a hearing officer will be appointed by the Health Systems Agency of the Illinois Dept. of Public Health to hear the appeal of local hospitals which want to block construction of a 224-bed teaching hospital by Humana, Inc. in affiliation with the Chicago Medical School in North Chicago. His decision will profoundly affect the future of health care in Lake County.

At issue are the quality, availability, and cost of health care in Lake County. At stake are hundreds, perhaps even thousands, of jobs.

Allied with Chicago Medical School in favor of the proposed hospital are Mayor Bobby Thompson, mayor of North Chicago; the North Chicago Chamber of Commerce; and Humana, Inc., one of the largest privately owned hospital corporations in the country.

Opposed to the proposal is nearly every hospital administrator in the area plus an impressive array of state legislators: Sens. Geo-Karis and Barkhausen, and Reps. Frederick and Churchill.

Given final approval, the Humana hospital will provide tertiary care. Tertiary care differs from primary care in that it involves a group of physicians whose teaching and research. Thus, a tertiary-care facility will assign a team of experts to work on a specific type of problem: cardiac care, neo-natal care, cancer research, etc. According to Dr. Marshal Falk, dean of Chicago Medical School (CMS) and executive vice-president of the University, tertiary care is at the "cutting edge of modern medical breakthroughs."

Eugene Pritchard, president of the Medical Center of Lake County (Concord Hospital), does not believe that Humana will cater primarily to tertiary care patients.

"The math doesn't work out," Pritchard said. "If you take all the tertiary-care patients that are referred out of the county annually and assume that all of them would go to Humana, that would still only give a 25 percent occupancy. To make a profit, beds must be filled. Humana is a profit center and would not confine itself to tertiary patients when beds need to be filled."

Both Don Wasson, president of Victory Memorial Hospital and Nora O'Malley, administrator of St. Therese Hospital, shared this view and noted that Humana would be in direct competition with them if it provided much primary care.

Wasson noted that it is getting difficult to fill patient beds because of shorter stays and because many services that were once provided in-house are now being provided on an outpatient basis.

"Even without Humana, a hospital in the area might have to close because of the fact that we are overbedded in this county," Wasson said.

Ill. State Sen. Adeline Geo-Karis said that while she was not specifically opposed to Humana, she was dead set against this proposal.

"Humana did not meet 19

of 22 criteria that the health services board set for determining whether a new hospital should be allowed," Geo-Karis said, "yet the (health services) board reversed an earlier denial and approved this in contradiction of its own criteria. I think there was some pretty high-powered lobbying going on."

"We have tertiary care within an hour of here. I don't want to see massive unemployment and it does not make sense to support a proposal that may bring in 400 jobs but could close down another hospital and cause the loss of 1,500 jobs. If the proposal met the criteria, I would have supported building the hospital," Geo-Karis concluded.

Falk thinks that his colleagues vastly misunderstand what the Humana hospital would mean for both the county and the medical community.

"Legally, we could not turn away any patient, so there would undoubtedly be some primary care," Falk said. "It simply would not be cost-effective for us to seek primary-care patients, though. The costs involved in providing a team of physicians, the extra recovery rooms, and the special equipment just cannot be supported by primary-care patients."

Falk noted that patients will travel a great distance for tertiary care and said that he expected that the quality and reputation of the hospital and the school would draw a sufficient number of tertiary-care patients.

"A staff report of the Chicago Health Services Agency in 1985 showed that 28.3 percent of all Lake County residents leave the county for tertiary care," Falk said. "According to a Loyola Medical School survey, 58 percent of all patients statewide leave their immediate area to receive tertiary care. We will fulfill a need for this type of care."

Beyond this, Falk said he believed that Humana would help to actually "increase the census" of existing local hospitals. By working in consultation with CMS physicians, some patients that are referred out would be able to stay in the local hospital, he said.

Adding fuel to the fire was David Jones, the head of Humana, Inc. Speaking at commencement exercises at CMS several weeks ago, he said, "In the new competitive environment, the hospital that offers access, quality, and affordability will be the hospital that survives, whether it be in Boston, California, or anywhere in between. Because of this, the North Chicago area, like any other area, may find a hospital closing."

Opponents of Humana pointed to this statement as clear evidence that the company did, indeed, plan to compete aggressively with existing local hospitals.

Tom Noland, senior manager for public affairs at Humana, Inc. had a different interpretation. "Mr. Jones was simply noting a fact that others in the industry are aware of: that it is up to hospitals to create the sort of environment in which patients want to be if they are going to survive in a

competitive market."

Noland added that Humana's plan to build the hospital is in response to the request by CMS and that it has the approval of the Illinois Board of Health which has certified the need for tertiary-care services in Lake County.

Mayor Bobby Thompson of North Chicago, an enthusiastic supporter of Humana, said that if other local hospitals are doing their jobs right, they won't close.

"I don't understand this," Thompson said, "St. Therese and Victory expand and there are no questions asked. We try to get something new out here and all of a sudden there is controversy."

Responding to a rumor that Humana does not provide care for the indigent in its Florida hospitals, Thompson said that one of the first questions he asked was about jobs and care for minorities and the poor. "Humana is committed to helping our community," he said.

Indeed, a check of five

Humana hospitals in Florida, selected at random, revealed that each is providing an average of a half-million dollars in indigent care beyond the requirements of the State of Fla. Those figures were confirmed with the Fla. Hospital Cost Containment Board.

Many county residents wonder why the controversy could not have been avoided by having an affiliation agreement signed between CMS and an existing local hospital.

According to Falk, such negotiations began at the inception of CMS in 1974 and continued for eight years.

"It was not until about three years ago that we decided that we were going to have to go outside to get a teaching facility," Falk said. "We wanted to have representation on the governing board, we wanted quality control, and we wanted to put our physicians on staff. We could not get any local hospital to cooperate with us. We knew we were at the end when, a few years ago, the medical staffs

changed their by-laws to exclude teaching doctors from the staffs."

Wasson of Victory said, though, that granting CMS what it asked for would have taken control of the hospital away from the local community.

"Quality control is done by the governing board; whoever has control of that has control of the hospital," Wasson said, adding that he did not believe it would be in the best interests of the community to give up local control.

O'Malley said that St. Therese is continuing to negotiate with CMS.

"We submitted a proposal in early May, just before they got approval to go ahead with Humana," O'Malley said. "We have not gotten a formal response yet, but have several items that are being negotiated. We are trying to provide for joint chairmanships so that both sides can be represented on the staff."

Falk replied that the proposal that CMS got was simply a rehash of old offers

that had been rejected. He said that the proposal was nothing more than a last-ditch effort to get the health services board to reject the Humana proposal.

Asked about on-going negotiations, Falk said, "I don't know what she is talking about. There are no negotiations. They gave us a proposal that is not acceptable. It was not a bona-fide proposal."

Falk emphasized that CMS will not seek to provide primary care and will not be in competition with local hospitals. After eight years of failed attempts to get an acceptable affiliation agreement, though, CMS will continue to go forward on its joint plan with Humana.

Clearly, whether Humana will be a boon or a bane depends on who does the talking. Before the summer is out, a hearing officer in Chicago will decide who is right. For better or worse, his decision will determine the future course of health care in Lake County.

—LEGAL—

ORDINANCE NO. 86/87 - 3

PREVAILING WAGE ORDINANCE

WHEREAS, the State of Illinois has enacted "An ACT regulating wages of laborers, mechanics and other workmen employed in any public works by the State, county, city or any public body or any political subdivision or by any one under the contract for public works," approved June 26, 1941, as amended, being Section 39s-1 through 39s-12, Chapter 48, Illinois Revised Statutes, 1973, and

WHEREAS, the aforesaid Act requires that the Gurnee Park District of the County of Lake investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workmen in the locality of the County of Lake employed in performing construction of public works, for said Gurnee Park District exclusive of maintenance work,

NOW THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF COMMISSIONERS OF THE GURNEE PARK DISTRICT:

SECTION 1. To the extent and as required by "An ACT" regulating wages of laborers, mechanics and other workmen employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workmen engaged in the construction of public works coming under the jurisdiction of this Park District is hereby ascertained to be the same as the prevailing rate of wages for construction work in Lake County area as determined by the Department of Labor of the State of Illinois as of June, 1986, a copy of that determination attached hereto and incorporated herein by reference. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

SECTION 2. Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the Park District to the extent required by the aforesaid Act.

SECTION 3. The Gurnee Park District Secretary shall publicly post or keep available for inspection by any interested party in the main office of this Park District this determination of such prevailing rate of wage.

SECTION 4. The Gurnee Park District Secretary shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed, or file their names and addresses requesting copies of any determination stating the particular rates and the particular class or workmen whose wages will be affected by such rates.

SECTION 5. The Gurnee Park District Secretary shall promptly file a certified copy of this Ordinance with both the Secretary of State and the Department of Labor of the State of Illinois.

SECTION 6. The Gurnee Park District Secretary shall cause to be published in a newspaper of general circulation within the area a copy of this Ordinance, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

PASSED THIS 17th day of June, 1986.

**NOTICE OF INTENT TO ISSUE BONDS
AND RIGHT TO FILE PETITION**

Notice is hereby given that pursuant to Ordinance Number 86-50, adopted June 30, 1986, the Village of Gurnee, Lake County, Illinois (the "Village"), intends to issue its Waterworks and Sewerage Revenue Bonds, Series 1986 (the "Bonds"), in the amount of not to exceed \$3,500,000, and bearing interest per annum at not to exceed the maximum rate authorized by law at the time the Bonds are sold, for the purpose of paying the costs of certain improvements and extensions to the combined waterworks and sewerage system of the Village.

In addition, notice is hereby given that if a petition signed by 221 or more electors of the Village requesting that the question of improving and extending the combined waterworks and sewerage system and the issuance of said Bonds therefore be submitted to the Village Clerk within 21 days of the date of publication hereof, the question of improving and extending the combined waterworks and sewerage system of the Village as provided in said ordinance and the issuance of said Bonds therefor shall be submitted to the electors of the Village at the general election to be held on November 4, 1986. A form of petition for such purpose is available from the office of the Village Clerk.

Norman C. Balliet,
Village Clerk,
Village of Gurnee,
Lake County, Illinois

ORDINANCE NO. 86-50

AN ORDINANCE combining the existing waterworks system and the existing sewerage system of the Village of Gurnee, Lake County, Illinois, and authorizing and providing for the issue of \$3,500,000 Waterworks and Sewerage Revenue Bonds, Series 1986, of said Village, for the purpose of defraying the cost of improving the combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of the combined waterworks and sewerage system of said Village.

PREAMBLES

WHEREAS, the Village of Gurnee, Lake County, Illinois (the "Village"), owns and operates a waterworks system (the "Water System"), in accordance with the provisions of Division 129 of Article 11 of the Illinois Municipal Code, as supplemented and amended; and

WHEREAS, the Village has heretofore issued its \$240,000 Waterworks Revenue Bonds, dated March 1, 1960, \$50,000 Waterworks Revenue Bonds, dated April 1, 1965, \$130,000 Waterworks Revenue Bonds, dated September 1, 1969, and \$225,000 Waterworks Revenue Bonds, dated November 1, 1973, (collectively, the "Water Bonds"), payable from the revenues of the Water System; and

WHEREAS, the Village owns and operates a sewerage system (the "Sewerage System"), in accordance with the provisions of Division 141 of Article 11 of the Illinois Municipal Code, as supplemented and amended; and

WHEREAS, the Village has heretofore issued its \$400,000 Sewerage Revenue Bonds, dated May 1, 1965, and \$250,000 Sewerage Revenue Bonds, dated November 1, 1975 (collectively, the "Sewerage Bonds"), payable from the revenues of the Sewerage System; and

WHEREAS, pursuant to those certain Escrow Agreements dated as of July 1, 1986, by and between the Village of First National Bank, as escrow agent, the Village has provided for the payment when due the principal of and interest on the Water Bonds and the Sewer Bonds, and there are no other obligations now outstanding payable from the revenues of the Water System or the Sewerage System; and

WHEREAS, the President and Board of Trustees have theretofore and it hereby is determined that it is in the best interests of the Village that the Water System and the Sewerage System be combined in a combined waterworks and sewerage system (the "System" as hereinafter more completely described) under Division 139 of Article 11 of the Illinois Municipal Code, as supplemented and amended; and

WHEREAS, the President and Board of Trustees of the Village (the "President and Board of Trustees") has determined that it is advisable, necessary, and in the best interests of public health, safety, and welfare to improve and extend the System, including, among other items, the construction of an elevated storage tank on the northeast side of the Village, a 16-inch transmission line, and a pumping station, all to assist the supply of water to the Village's west side, and the construction of miscellaneous improvements to the waterworks system including pressure reduction valves and a telemetering system, together with the acquisition of land or rights in land and all mechanical, electrical and other services necessary, useful or advisable to the construction program, and, incidental to such improvements and extensions, to pay bond discount, legal, financing, and administrative expense (all of which said acquisition, construction, services, and incidental expenses being referred to as the "Project"), all in accordance with the preliminary plans and estimates of cost theretofore prepared by the Village's engineers, approved by the President and Board of Trustees and now on file in the office of the Village Clerk for public inspection; and

WHEREAS, the estimated costs of the Project, as defined, including all related expenses are \$3,500,000; and

WHEREAS, there are insufficient funds on hand and lawfully available to pay the costs of the Project, and such costs are expected to be defrayed by the proceeds of certain grants from the State of Illinois together with cash on hand or expected to be on hand and lawfully available for the purpose and by the proceeds of \$3,500,000 bonds payable from the revenues of the System and issued at this time pursuant to the Illinois Municipal Code; and

WHEREAS, the Village has no outstanding and unpaid bonds payable from the revenues of the System; and

WHEREAS, the Village must borrow money and issue bonds at this time in evidence thereof in the total amount of \$3,500,000 for such purposes; and

WHEREAS, pursuant to and in accordance with the provisions of Division 139 of Article 11 of the Illinois Municipal Code, as supplemented and amended (the "Act"), the Village is authorized to issue waterworks and sewerage Revenue bonds in the aggregate principal amount of \$3,500,000 for the purpose of paying the costs

of the Project.

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Gurnee, Lake County, Illinois, as follows:

Section 1. Definitions. The following words and terms used in this ordinance shall have the following meanings unless the context or use clearly indicates another or different meaning is intended.

"Act" means the Illinois Municipal Code, as supplemented and amended (Ill. Rev. Stat. ch. 24, 1-1-2 et seq.) and, in particular, Division 139 of Article 11 thereof.

"Bond" or "Bonds" means one or more, as applicable, of the \$3,500,000 Waterworks and Sewerage Revenue Bonds, Series 1986, authorized to be issued by this ordinance, including bonds issued in exchange for or upon transfer or replacement of bonds previously issued under this ordinance.

"Bond Register" means the books of the Village kept by the Bond Registrar to evidence the registration and transfer of the Bonds.

"Bond Registrar" means the bond registrar designated by the President and Board of Trustees upon the sale of the Bonds, or a successor thereto or designated as Bond Registrar hereunder.

"Code" means the Internal Revenue Code of 1954, as amended.

"Construction Fund (1986)" means the fund by said name created and established in Section 17 of this Ordinance.

"Fiscal Year" means a twelve-month period beginning May 1 of the calendar year and ending on April 30 of such calendar year.

"Maximum Annual Debt Service" means an amount of money equal to the highest future principal and interest requirement of all Outstanding Bonds required to be deposited into the Bond and Interest Account created by this ordinance in any Fiscal Year, including and subsequent to the Fiscal Year in which the computation is made. Any Outstanding Bonds required to be redeemed pursuant to mandatory redemption from said Bond and Interest Account shall be treated as falling due on the date required to be redeemed (except in the case of failure to make any such mandatory redemption) and not on the stated maturity date of such Outstanding Bonds.

"Net Revenues" means Revenues minus Operation and Maintenance Costs.

"Operation and Maintenance Costs" means all costs of operating, maintaining and routine repair of the System, including wages, salaries, costs of materials and supplies, power, fuel, insurance, and purchase of water (including all payments by the Village pursuant to long term contracts for such services); but excluding debt service, depreciation, capital improvements or replacements (including meter replacements) or engineering expenses in anticipation thereof or in connection therewith, or any reserve requirement; and otherwise determined in accordance with generally accepted accounting principles for municipal enterprise funds.

"Ordinance" means this ordinance, numbered 86-50, passed by the President and Board of Trustees on the 30th day of June, 1986.

"Outstanding Bonds" means Bonds and Parity Bonds which are outstanding and unpaid; provided, however, such term shall not include Bonds or Parity Bonds (i) which have matured and for which moneys are on deposit with proper paying agents, or are otherwise properly available, sufficient to pay all principal thereof and interest thereon, or (ii) the provision for payment of which has been made by the Village by the deposit in an irrevocable trust or escrow of funds or direct, full faith and credit obligations of the United States of America, the principal of and interest on which will be sufficient to pay at maturity or as called for redemption all the principal of and interest on such Bonds or Parity Bonds.

"Parity Bonds" means bonds or any other obligation to be issued subsequent in time to the Bonds and which will share ratably and equally in the earnings of the System with the Bonds.

"Paying Agent" shall mean the paying agent designated by the President and Board of Trustees upon the sale of the Bonds, or a successor thereto or designated as Paying Agent hereunder.

"President and Board of Trustee" means the President and Board of Trustees of the Village of Gurnee, Lake County, Illinois.

"Revenues" means all income from whatever source derived from the System, including (i) investment income on all accounts created hereunder; (ii) connections, permit and inspection fees and the like; (iii) penalties and delinquency charges; (iv) capital development, reimbursement, or recovery charges and the like; but excluding expressly (a) non-recurring income from the sale of property of the System; (b) governmental or other grants; (c) advances or grants made from the Village; and as otherwise determined in accordance with generally accepted accounting principles for municipal enterprise funds.

"System" refers to all property, real, personal or otherwise owned or to be owned by the Village or under the control of the Village, and used for waterworks and sewerage purposes.

"Tax Exempt" means, with respect to the Bonds, the status of interest paid and received thereon as not includible in the gross income of the owners thereof under the Code for federal income tax purposes.

"Village" means the Village of Gurnee, Lake County, Illinois.

"Waterworks and Sewerage Fund" means the fund by said name created and established in Section 12 of this Ordinance.

Section 2. Incorporation of Preambles. The President and Board of Trustees hereby finds that the recitals contained in the preambles to this ordinance

are full, true, and correct and do hereby incorporate them into this ordinance by this reference.

Section 3. Operation of Combined Waterworks and Sewerage System; Determination To Issue Bonds. It is necessary and in the best interests of the Village to operate a waterworks and sewerage system in combination in accordance with the Act and to provide for the Project for the public health, safety, and welfare. The Water System and the Sewerage System are hereby combined in a combined waterworks and sewerage system and shall hereafter be operated in combination as provided in the Act.

Section 4. Determination of Useful Life. The President and Board of Trustees does hereby determine the period of usefulness of the Project and the System to be forty (40) years from the date of the Bonds.

Section 5. Bond Details. For the purpose of paying costs of the Project, there shall be issued and sold the Bonds in the principal amount of \$3,500,000. The Bonds shall each be designated "Waterworks and Sewerage Revenue Bond, Series 1986"; shall be dated August 1, 1986; and shall also bear the date of authentication thereof. The Bonds shall be in fully registered form, shall be in denominations of \$5,000 and authorized integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered consecutively in such reasonable fashion as may be established by the Bond Registrar, shall bear interest at a rate or rates not to exceed the maximum interest rate provided by law at the time of the sale of the Bonds, which rate or rates shall be determined and specified in a resolution of the President and Board of Trustees to be adopted at the time of the sale of the Bonds, and shall become due serially (subject to the right of prior redemption hereinafter stated) on May 1, of the years and in the amount as follows:

Year	Amount (\$)
1987	50,000
1988	20,000
1989	25,000
1990	30,000

1998	260,000
1999	285,000
2000	310,000
2001	330,000
2002	355,000
2003	385,000
2004	420,000

The Bonds shall bear interest from the later of their Dated Date or from the most recent interest payment date to which interest has been paid or duly provided for (including, in the case of Bonds issued in exchange for or upon transfer or replacement of predecessor Bonds, such predecessor Bonds), until the principal amount of the Bonds is paid, such interest (computer upon the basis of a 360-day year of twelve 30-day months), being payable on November 1, 1986, and semiannually thereafter on May and November 1 of each year. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of and premium (if any) on the Bonds shall be payable in lawful money of the United States of America upon presentation at the principal corporate trust office of the Paying Agent.

Section 6. Redemption. The Bonds are subject to redemption and payment prior to their maturity, at the option of the Village, in whole or in part, from any available funds, on November 1, 1996, or on any interest payment date thereafter, and if in part, in or amount which is equal to at least \$5,000 or is an integral multiple thereof, in inverse order of maturity and within any maturity by lot, at the redemption prices (expressed as a percentage of principal amount redeemed) for the dates as follows plus accrued interest to the date fixed for redemption:

Dates, inclusive	Price
November 1, 1996, through November 1, 1999	101%
May 1, 2000, and thereafter	100%

Unless waived by the Bond Registrar, the Village shall notify the Bond Registrar of the redemption of Bonds (by maturity and amount per maturity, if less than all Bonds of a maturity are to be redeemed) not less than 45 days prior to the date of redemption.

In the event of a partial redemption of Bonds of a given maturity, the particular Bonds or portions thereof to be redeemed shall be selected by lot not more than 60 days prior to the redemption date by the Bond Registrar. With respect to partial redemptions, the Bond Registrar shall assign to each Bond a distinctive number for each \$5,000 principal amount of such Bond and shall select by lot from the numbers so assigned as many numbers as, allocating \$5,000 to each number; shall equal the principal amount of such Bonds required to be redeemed on the applicable redemption date. The Bonds or portions of Bonds to be redeemed shall be the Bonds or portions of Bonds to which were assigned numbers so selected; provided that only such portions of the principal amount of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

The Bond Registrar shall promptly notify the Village in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the redemption notice by registered or certified mail not less than thirty days and not more than sixty days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register

or at such other address as is furnished in writing by such registered owners to the Bond Registrar.

All notices of redemption shall include at least the information as follows:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all of the Bonds of a single maturity are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (4) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar.

Prior to any redemption date, the Village shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity and rate of interest in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

beginning on bottom of page 14

Parity Bonds hereinafter issued pursuant to the terms hereof may be redeemable at such times and upon such terms as may be determined at the time of authorization thereof.

Section 7. Amendment. The rights and obligations of the Village and of the holders or registered owners of Outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the President and Board of Trustees with the written consent of the registered owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Village); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Village to pay the principal of and interest on any of the Outstanding Bonds at the time, place, rate, and in the currency provided therein, or alter or impair the obligations of the Village with respect to registration, transfer, exchange or notice of redemption of Bonds, without the written consent of the registered owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the registered owners of Outstanding Bonds required for the written consent of such modification or amendment without the written consent of the registered owners of all the Outstanding Bonds.

Section 8. Execution; Authentication. The Bonds shall be executed on behalf of the Village with the manual or duly authorized facsimile signature of the President and attested with the manual or duly authorized facsimile signature of the Village Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Village and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but is shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 9. Registration of Bonds; Persons Treated as Owners. The Village shall cause books (the Bond Register) for the registration and for the transfer of the Bonds as provided in this ordinance to be kept at the principal corporate trust office of the Bond Registrar. The Village is authorized to prepare, and the Bond Registrar or such other agent as the Village may designate shall keep custody of, multiple Bond blanks executed by the Village for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchange, but only in the manner, subject to the limitations, and upon

payment of the charges as set forth herein. Upon surrender for transfer or exchange of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his attorney duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the registered owner, transferee or transferees (as the case may be) a new fully registered Bond or Bonds of the same maturity and interest rate of authorized denominations, for a like aggregate principal amount.

The execution by the Village of any fully registered Bond shall constitute full and due authorization of such Bond; and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided, however, the principal amount of Outstanding Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The Bond Registrar shall not be required to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, or to transfer or exchange any Bond during a period of fifteen days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Village or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

Section 10. Form of Bond. The Bonds shall be in substantially the form hereinafter set forth; provided, however, that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph (2) and the legend, "See Reverse Side for Additional Provisions", shall be omitted and paragraphs (6) through (12) shall be inserted immediately after paragraph (1).

(1) KNOW ALL PERSONS BY THESE PRESENTS, that the Village of Gurnee, Lake County, Illinois, a municipality and political subdivision of the State of Illinois (the "Village"), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, on the Maturity Date identified above, the Principal Amount identified above and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on such principal amount from the later of the Dated Date of this Bond identified above or from the most recent interest payment date to which interest has been paid at the Interest Rate per annum identified above, such interest to be payable on November 1, 1986, and semiannually thereafter on May 1 and November 1 of each year, until said principal amount is paid, except as the provisions hereinafter set forth with respect to redemption prior to maturity may be and become applicable hereto. Both principal of and premium (if any) on this Bond are payable in lawful money of the United States of America upon presentation at the principal corporate trust office of in the of Illinois, as paying agent (the "Paying Agent"). Payment of interest hereon shall be made to the Registered Owner hereof as appearing on the registration books of the Village maintained by in the of Illinois, as bond registrar (the "Bond Registrar"), at the close of business on the 15th day of the month next preceding the interest payment date and shall be paid by check or draft of the Paying Agent, payable upon presentation in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Bond Registrar.

(2) Reference is hereby made to the further provisions and definitions of this Bond set forth on the reverse hereof, and such further provisions and definitions shall for all purposes have the same effect as if set forth at this place.

(3) It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this Bond have been done and have happened and have been performed in

regular and due form of law and that provision has been made for depositing into the Waterworks and Sewerage Fund the Revenues, and such are to be applied in the manner as hereinabove set forth; and the Village hereby covenants and agrees that it will fix and maintain rates for the use and service of the System and collect and account for the Revenues sufficient at all times to pay Operation and Maintenance Costs, to promptly pay principal of and interest on all bonds issued by the Village which are payable solely from the Revenues, to provide an adequate depreciation fund, and to comply with all the covenants of and to maintain the accounts created by the Ordinance.

(4) This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar.

(5) IN WITNESS, WHEREOF, the Village of Gurnee, Lake County, Illinois, by its President and Board of Trustees, has caused this Bond to be executed with the manual or duly authorized facsimile signature of its President and attested by the manual or duly authorized facsimile signature of its Village Clerk and its corporate seal or a facsimile thereof to be impressed or reproduced hereon, all as appearing hereon and as of the Dated Date identified above.

(Form of Bond - Reverse Side)

Village of Gurnee,
Lake County, Illinois
Waterworks and Sewerage Revenue Bond,
Series 1986

(6) This bond and the bonds of the series of which it forms a part ("Bond" and "Bonds" respectively) are of an authorized issue of \$3,500,000, of like Dated Date and tenor except as to maturity, rate of interest, and privilege of redemption. The Bonds are payable solely from the Revenues, as defined, derived from the operation of the combined waterworks and sewerage system of the Village, as defined (the "System"), after payment of Operation and Maintenance Costs, as defined, and not otherwise, and are issued under authority of the provisions of Division 139 of Article 11 of the Illinois Municipal Code, as supplemented and amended (the "Act"), for the purpose of paying the costs of a Project relating to construction of improvements and extensions to the System. The Bonds are issued pursuant to Ordinance Number, passed by the President and Board of Trustees of the Village on the 30th day of June, 1986 (the "Ordinance"), to which reference is hereby expressly made for all definitions and terms and to all the provisions of which the holder by the acceptance of this Bond assents. **This Bond does not constitute an indebtedness of the Village within the meaning of any constitutional or statutory provision or limitation.**

(7) Under the Act and the Ordinance, the Revenues are to be deposited into the Waterworks and Sewerage Fund, which shall be used only and is hereby pledged for paying Operation and Maintenance Costs, paying the principal of and interest on all bonds of the Village that are payable by their terms only from the Revenues, providing an adequate depreciation fund, and in making all payments required to maintain the accounts established under the terms of the Ordinance. Parity Bonds may be issued pursuant to the terms of the Ordinance.

(8) The rights and obligations of the Village and of the holders and registered owner so the Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the President and Board of Trustees with the written consent of the registered owner of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Village); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate or premium on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Village to pay the principal of or interest on any of the Outstanding Bonds at the time, place, rate, and in the currency provided therein or alter or impair the obligations of the Village with respect to registration, transfer, exchange, or notice of redemption of Bonds, without the written consent of the registered owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the registered owner of Outstanding Bonds required for the written consent to such modification or amendment without the written consent of the registered owners of all of the Outstanding Bonds.

(9) The Bonds due on May 1 of the years 1997 and thereafter are subject to redemption at the option of the Village, in whole or in part, on November 1, 1996, or on any interest payment date thereafter, at the prices (expressed as a percentage of principal amount redeemed) for the dates as follows plus accrued interest to the date fixed for redemption:

Dates, inclusive	Price
November 1, 1996, through November 1, 1999	101%
May 1, 2000, and thereafter	100%

If the Bonds are redeemed in part, they will be redeemed in an amount which is equal to \$5,000 or integral multiple thereof, in inverse order of maturity and within any maturity by lot in \$5,000 increments, selected by the Bond Registrar, in the manner set forth in the Ordinance.

(10) Notice of any such redemption shall be sent by registered or certified mail not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the Bond Register of the Village maintained by the Bond Registrar or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. When so called for redemption, this Bond will cease to bear interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time.

(11) The Bonds are issued in fully registered form in the denomination of \$5,000 or authorized integral multiples thereof. This Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as provided herein and in the Ordinance. Upon surrender for transfer or exchange of this Bond at the principal corporate trust office of the Bond Registrar in the of Illinois, duly endorsed by, or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by, the Registered Owner or an attorney duly authorized in writing, the Village shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the Registered Owner, transferee or transferees (as the case may be), a new fully registered Bond or Bonds of the same maturity and interest rate of authorized denominations, for a like aggregate principal amount.

(12) The Village, the Paying Agent and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof, premium, if any, hereon and interest due hereon and for all other purposes; and neither the Village, the Paying Agent nor the Bond Registrar shall be affected by any notice to the contrary.

(ASSIGNMENT)

NOTICE:

The signature to this assignment must correspond with the name of the registered owner as it appears upon the face of the within Bond in every particular, with-out alteration or enlargement or any change whatever.

Section 11. Bonds Limited Obligations. The Bonds shall be payable solely from the Net Revenues as derived from the operation of the System, and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation.

Section 12. Creation of Waterworks Sewerage Fund and Accounts Thereof. Upon the issuance of any of the Bonds, the System shall be operated on a Fiscal Year basis. All of the Revenues shall be set aside as collected and be deposited into a separate fund and in an account in a bank to be designated by the President and Board of Trustees, which fund is hereby created and is designated as the "Waterworks and Sewerage Fund" of the Village, which shall constitute a trust fund for the sole purpose of carrying out the covenants, terms, and conditions of this ordinance, and shall be used only in paying Operation and Maintenance Costs, providing an adequate depreciation fund, paying the principal of and interest on all revenue bonds of the Village which by their terms are payable solely from the Revenues, and providing for the establishment of and expenditure from the respective accounts as hereinafter described.

Section 13. Flow of Funds. There shall be and there are hereby created separate accounts in the Waterworks and Sewerage Fund to be known as the "Operation and Maintenance Account," the "Bond and Interest Account," the "Bond Reserve Account," the "Depreciation, Improvement and Extension Account," and the "Surplus Account," to which there shall be credited on or before the first day of each month by the financial officer of the Village, without any further official action or direction, in the order in which said accounts are hereinafter mentioned, all moneys held in the Waterworks and Sewerage Fund, in accordance with the following provisions:

(a) **Operation and Maintenance Account:**

There shall be credited to the Operation and Maintenance Account an amount sufficient, when added to the amount then on deposit in said Account, to establish a balance to an amount not less than the amount necessary to pay Operation and Maintenance Costs for the then current month.

Amounts in said Account shall be used to pay Operation and Maintenance Costs.

(b) **Bond and Interest Account:**

There next shall be credited to the Bond and in-

Interest Account and held, in cash and investments, a fractional amount of the interest becoming due on the next succeeding interest payment date on all Outstanding Bonds and also a fractional amount of the principal becoming due of the next succeeding principal maturity date of all of the Outstanding Bonds until there shall have been accumulated and held, in cash and investments, in the Bond and Interest Account on or before the first day of the month preceding such maturity date of interest or maturity date of principal, an amount sufficient to pay such principal or interest, or both.

In computing the fractional amount to be set aside each month in the Bond and Interest Account, the fraction shall be so computed that a sufficient amount will be set aside in said Account and will be available for the prompt payment of such principal and of interest on all Outstanding Bonds and shall be not less than one-fifth of the interest becoming due on the next succeeding interest payment date and not less than one-tenth of the principal becoming due on the next succeeding principal payment date on all Outstanding Bonds until there is sufficient money in said Account to pay such principal or interest, or both.

Credits to the Bond and Interest Account may be suspended in any Fiscal Year at such time as there shall be a sufficient sum, held in cash and investments, in said Account to meet principal and interest requirements in said Account for the balance of such Fiscal Year, but such credits shall again be resumed at the beginning of the next Fiscal Year.

All moneys in said Account shall be used only for the purpose of paying interest on, premium (if any) and principal of Outstanding Bonds.

(c) Bond Reserve Account:

At the time of the delivery of any of the Bonds, there shall be credited to the Bond Reserve Account and held, in cash and investments, an amount of money equal to Maximum Annual Debt Service. Except as hereinafter provided in Section 15, no additional fund shall be credited to said Account, except that when any money is paid out of and charged to said Account, credits to said account shall be made each month at the monthly rate of an amount equal to 1/24 of such amount withdrawn and continued until such Account has been restored to the aggregate amount so stated. Any excess in said Account over the amount of Maximum Annual Debt Service shall be transferred to the Depreciation, Improvement and Extension Account or Surplus Account.

Amounts to the credit of the Bond Reserve Account shall be used to pay principal of or interest and applicable premium on the Outstanding Bonds at any time when there are insufficient funds available in the Bond and Interest Account to pay the same.

(d) Depreciation, Improvement and Extension Account:

Beginning the month after the delivery of any of the Bonds, there shall be credited to the Depreciation, Improvement and Extension Account and held, in cash and investments, the sum of (i) \$6,400 in each month to and including April 1, 1991, (ii) \$8,500 in each month thereafter to and including April 1, 1998, and (iii) \$10,000 in each month thereafter to and including April 1, 2005.

Amounts to the credit of said Account shall be used first to provide an adequate allowance for depreciation as shall be determined from time to time by the President and Board of Trustees, or if not so needed, may be used from time to time to pay for any extraordinary maintenance, repairs and necessary replacements, or for improvements, extensions of the System. Said funds shall be used at any time to pay principal of, premium (if any) or interest on any waterworks and sewerage revenue bonds outstanding whenever there are no other funds available to pay the same.

Whenever an amount is withdrawn from such Account for the purpose of paying principal of, premium (if any) or interest on any waterworks and sewerage revenue bonds outstanding, the amount so transferred shall be added to the amount to be next and thereafter credited to said Depreciation, Improvement and Extension Account until full reimbursement to said Account has been made. Money to the credit of said Depreciation, Improvement and Extension Account in excess of the amount determined from time to time by the President and Board of Trustees as necessary and advisable to provide an adequate depreciation fund for the System may, at the sole discretion and direction of the President and Board of Trustees, be transferred to the Surplus Account.

(e) Surplus Account:

All moneys remaining in the Waterworks and Sewerage Fund, after crediting the required amounts to the respective accounts hereinabove provided for, and after making up any deficiency in the accounts described in subsections (a) to (e), inclusive, shall be credited each month to the Surplus Account. Funds in the Surplus Account shall first be used to make up any subsequent deficiencies in any of the accounts hereinabove named, secondly shall be used for the purpose of paying principal of and interest on subordinate or junior lien bonds or obligations issued for the purpose of acquiring or constructing repairs, replacements, or improvements or extensions to the System (which such bonds or obligations are hereby expressly authorized to be issued payable from the Surplus Account), and thirdly, at the discretion of the President and Board of Trustees, shall be used for one or more of the following purposes without any priority among them:

(1) For the purpose of constructing or acquiring repairs, replacements, or improvements to the System; or

(2) For the purpose of calling and redeeming Outstanding Bonds which are callable at the time; or

(3) For the purpose of purchasing Outstanding

Bonds at the time at a price of not to exceed par and accrued interest to the date of purchase; or

(4) For any other lawful corporate purpose (including but not limited to payments in lieu of taxes and general supervision and administrative charges by the Village).

(f) Investment of Moneys in Accounts:

Moneys to the credit of the Waterworks and Sewerage Fund prior to the monthly accounting may be invested pursuant to any authorization granted to municipal corporations by Illinois statute or court decision.

Moneys to the credit of the Operation and Maintenance Account, Bond and Interest Account, Sinking Fund Account, Bond Reserve Account, Depreciation, Improvement and Extension Account and Surplus Account may be invested from time to time by the Treasurer of the Village in (i) interest bearing bonds, notes, or other direct full faith and credit obligations of the United States of America, (ii) obligations unconditionally guaranteed as to both principal and interest by the United States of America, or (iii) certificates of deposit or time deposits of any bank as defined by the Illinois Banking Act, provided such bank is insured by the Federal Deposit Insurance Corporation or a successor corporation to the Federal Deposit Insurance Corporation, and provided further that the principal of such deposits in excess of the insured amount is secured by a pledge of obligations as described in clauses (g) (i) and (g) (ii) above in the full principal amount of such excess. Such investments may be sold from time to time by the Treasurer of the Village as funds may be needed for the purpose which said respective accounts have been created. To the extent moneys in said Accounts as described in this paragraph are held uninvested and on deposit in demand accounts, such amounts shall be added to the amount invested pursuant to clause (iii) above and the sum so derived subject to the limitations as set forth therein.

Investments in the Accounts shall mature or be subject to redemption at the option of the holder thereof prior to the time when needed, and, in any event, within the times as follows:

Account	Time
Operation and Maintenance	45 days
Bond and Interest	1 year
Bond Reserve	5 years
Depreciation, Improvement and Extension	5 years
Surplus	10 years

All interest on any funds so invested shall be credited to the Waterworks and Sewerage Fund and is hereby deemed and allocated as expended with the next expenditure(s) of money from the Waterworks and Sewerage Fund.

Moneys in any of said accounts shall be invested by the Treasurer, if necessary, in investments restricted as to yield, which investments may be in United States Treasury Obligations--State and Local Government Series, if available, and to such end the Treasurer shall refer to any investment restrictions covenanted by the Village or any officer thereof as part of the transcript of proceedings for the issuance of the Bonds, and to appropriate opinions of counsel.

(g) Excess over Requirements

Any amounts to the credit of the Accounts in excess of the then current requirement therefor may be transferred by the President and Board of Trustees to such other Account or Accounts of the Waterworks and Sewerage Fund as they may in their sole discretion designate.

Section 14. General Covenants. The Village covenants and agrees with the holders and registered owners of the Outstanding Bonds, so long as there are Outstanding Bonds (as defined herein), as follows:

(a) The Village will maintain the System in good repair and working order, will operate the same efficiently and faithfully and will punctually perform all duties with respect thereto required by the Constitution and laws of the State of Illinois.

(b) The Village will establish and maintain at all times reasonable fees, charges, and rates for the use and service of the System and will provide for the collection thereof and the segregation and application of the Revenues in the manner provided by this Ordinance, sufficient at all times to pay Operation and Maintenance Costs, to provide an adequate depreciation fund, to pay the principal of and interest on all revenue bonds of the Village which by their terms are payable solely from the Revenues, and to provide for the creation and maintenance of the respective accounts as provided in Section 13 of this Ordinance.

There shall be charged against all users of the System, including the Village, such rates and amounts for water and sewer services as shall be adequate to meet the requirements of this subsection. Charges for services rendered the Village shall be made against the Village, and payment for the same shall be made monthly from the corporate funds into the Waterworks and Sewerage Fund as revenues derived from the operation of the System; provided however, that the Village may reimburse itself for such services if in the current Fiscal Year Revenues not including any payments made by the Village shall have met the requirements of this Ordinance.

Whenever money in the Bond Reserve Account or the Depreciation, Improvement or Extension Account is used to pay principal of or interest on Outstanding Bonds, the Village covenants promptly to have prepared a rate study for the System by an independent consultant employed for that purpose, and further, to send a copy of such study, when completed, to the original purchaser of the Bonds along with a letter indicating what action the Village has taken responsive to such study.

(c) The Village from time to time will make all needful and proper repairs, replacements, additions, and betterments to the System so that it may at all times be operated properly and advantageously; and when any necessary equipment or facility shall have been worn out, destroyed, or otherwise is insufficient for proper use, it shall be

promptly replaced so that the value and efficiency of the System shall be at all times fully maintained.

(d) The Village will establish such rules and regulations for the control and operation of the System necessary for the safe, lawful, efficient and economical operation thereof.

(e) The Village will make and keep proper books and accounts (separate and apart from all other records and accounts of said Village), in which complete entries shall be made of all transactions relating to the System, and hereby covenants that within 120 days following the close of each Fiscal Year, it will cause the books and accounts of the System to be audited by independent certified public accountants. Said audit will be available for inspection by the holders of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A statement in detail of income and expenditures of the System for such Fiscal Year and comparable information from the previous Fiscal Year.

(ii) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the accounts of the Waterworks and Sewerage Fund and comparable information from the previous Fiscal Year.

(iii) A list of all insurance policies in force at the end of the Fiscal Year, setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy.

(iv) The number of sewer customers served at the end of the year and the quantity of sewage treated, the number of metered water customers and the number of unmetered water customers at the end of the year, the quantity of water pumped, and the quantity of water billed.

(v) Changes in the cost of purchased water, if applicable, during such Fiscal Year.

(vi) A summary of rates in effect at the end of such Fiscal Year for services of the System and any changes in such rates effective during such Fiscal Year.

(vii) The amount and details of all Outstanding Bonds.

(viii) The accountant's comment regarding the manners in which the Village has carried out the requirements of this ordinance, and the accountant's recommendations for any changes or improvements in the operation of the System.

All expenses of the audit required by this section shall be regarded and paid as Operation and Maintenance Costs.

It is further covenanted and agreed that a copy of each such audit shall be furnished upon completion to the original purchaser of the Bonds, and a summary thereof shall be furnished to any bondholder upon request.

(f) The officer of the Village charged with financial management of the System shall prepare and submit to the President and Board of Trustees a report for each quarter of the Fiscal Year. Such report shall contain all of the information for such quarter as set forth in the subparagraphs (i) and (ii) of the preceding paragraph (e).

(g) The Village will keep the books and accounts for the System in accordance with generally accepted fund reporting practices for municipal enterprise funds; provided, however, that the monthly credits to the Bond and Interest Account, the Bond Reserve Account and to the Depreciation, Improvement and Extension Account shall be in cash and said funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this ordinance, investments shall be valued at amortized cost.

(h) The Village will not sell, lease, loan, mortgage or in any manner dispose of or encumber the System (subject to the right of the Village to issue Parity Bonds as provided in this Ordinance, to issue bonds subordinate to Outstanding Bonds, and to dispose of real or personal property which is no longer useful or necessary to the operation of the System), and the Village will take no action in relation to the System which would unfavorably affect the security of the Outstanding Bonds or the prompt payment of the principal thereof and interest thereon. Any amounts received from the sale of property of the System shall be deposited to the credit of the Depreciation, Improvement and Extension Account.

(i) Any holder or registered owner of a Bond or the right to receive interest thereon may proceed by civil action to compel performance of all duties required by law and this Ordinance, including the making and collection of sufficient charges and rates for the service supplied by the System and the application of the income and revenue therefrom.

(j) The Village will carry insurance on the System of the kinds and in the amounts which are usually carried by private parties operating similar properties, covering such risks as shall be recommended by a competent consulting engineer or insurance consultant employed by the Village for the purpose of making such recommendations. All moneys received for loss under such insurance policies shall be deposited to the credit of the Depreciation, Improvement and Extension Account and used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or making replacement of the property destroyed, and provision for making good such loss or damage shall be made within ninety (90) days from the date of the loss. The payment of premiums for all insurance policies required under the provisions of this covenant shall be considered an Operation and Maintenance Cost. The proceeds derived from any and all policies for workers' compensation or public liability shall be paid into the Operation and Maintenance Account and used in paying the claims on account of which they were received.

Except as hereinabove expressly provided for services to the Village, the Village covenants not to provide any free service of the System, and, to the extent permitted by law, the Village will not grant a franchise for the operation of any competing waterworks, sewerage, or combined waterworks and sewerage system within the Village.

The Village will adopt a budget for the Waterworks and Sewerage Fund prior to the beginning of each fiscal year, subject to applicable state law, providing for payment of all sums to be due in the fiscal year so as to comply with the terms of this ordinance and of long term water supply agreements, provided that such budget shall not include in its estimate of income, the use of available surplus moneys or other funds of the Village appropriated for the purpose. If during the fiscal year there are extraordinary receipts or payments of unusual cost, the Village will adopt an amended budget for the remainder of the fiscal year, providing for receipts or payments pursuant to this ordinance.

Section 15. Issuance of Parity Bonds. As long as there are any Outstanding Bonds, no obligations or bonds of any kind shall be issued which are payable from the Revenues except upon compliance with one of the options (a) through (e) set out below:

Parity Bonds may be issued for the purpose of paying the cost of repairs, replacements, renewals, improvements and extensions to the system or for refunding Outstanding Bonds upon compliance with the following conditions:

The amounts required to be credited monthly to the respective accounts described in sections (a) through (d), inclusive, of Section 13 of this Ordinance must have been added in full up to the date of the delivery of such Parity Bonds.

The Net Revenues of the System for the last completed fiscal year prior to the issuance of Parity Bonds (as shown by the audit of an independent certified public accountant), or adjusted Net Revenues of the System for that year (as provided herein) must equal at least 130% of Maximum Annual Debt Service computed immediately after the issuance of proposed Parity Bonds, but only for those fiscal years in which the Outstanding Bonds immediately prior to such issuance will continue to be Outstanding Bonds as provided herein.

Net Revenues of the System may be adjusted as follows:

In the event there shall have been an increase in the rates of the System from the rates in effect for the preceding fiscal year, which increase is in effect at the time of the issuance of any such Parity Bonds, the Net Revenues as described hereinabove may be adjusted to the Net Revenues of the System for the immediately preceding fiscal year as they had been had said then existing rates in effect during all of said fiscal year.

Any such adjustment shall be evidenced by a certificate of an independent consulting engineer or an independent certified public accountant employed for that purpose, which certificate shall be filed with and approved by the President and Board of Trustees prior to the issuance of the proposed Parity Bonds.

Parity Bonds may be issued to refund Outstanding Bonds if the Parity Bonds so issued (i) do not exceed the principal amount of the Outstanding Bonds to be refunded, (ii) do not bear interest at a rate in excess of the Outstanding Bonds to be refunded, and (iii) do not mature earlier than any Outstanding Bonds not to be refunded.

Parity Bonds may be issued to refund Outstanding Bonds in order to avoid default in the payment of principal or interest on Outstanding Bonds; provided, they are issued to avoid such default within three months of the date thereof.

Bonds or other obligations may be issued payable from the Revenues subordinate to the Outstanding Bonds. Such subordinate bonds shall be payable from the Surplus Account created in Section 13 of this ordinance.

Parity Bonds may be issued to pay the cost of completion of the Project in an amount not in excess of ten percent (10%) of the aggregate principal amount of Bonds authorized hereunder provided that such Parity Bonds are issued within thirty-six months of the issuance of the Bonds and that the Village has obtained prior to the issuance of such Parity Bonds a certificate of an independent consulting engineer stating that the aggregate principal amount of such Parity Bonds proposed to be issued is not in excess of the cost of completion of the Project.

All bonds issued under this Section shall mature as to principal on May 1 and as to interest on May 1 and/or November 1.

Upon the issuance of any Parity Bonds, the Village hereby expressly covenants and agrees that beginning the month after delivery of such Parity Bonds, there shall be credited each month in equal installments to the hereinabove mentioned Bond Reserve Account and held, in cash and investments, an amount sufficient to increase the credit balance in said account to an amount equal to Maximum Annual Debt Service within not less than twenty-four (24) months from the delivery of such Parity Bonds.

Contracts or agreements, including long-term and take or pay contracts or agreement, for the supply of water which by their terms required payment by the Village as an Operation and Maintenance Cost or from the Operation and Maintenance Account are expressly excluded from the provisions of this Ordinance pertaining to Parity Bonds. Such contracts or agreements may be made by the Village notwithstanding any of the provisions herein.

Section 16. Sale of Bonds. As soon as may be after this ordinance becomes effective, the Bonds shall be executed and delivered to the Treasurer of the Village and be by him delivered to the purchaser thereof, upon receipt of the purchase price therefor, same to be determined and specified in a resolution of the President and Board of Trustees to be adopted at the

time of sale of said Bonds to said purchaser, the same being not less than 99% of the par value of the Bonds then being sold plus accrued interest to date of delivery. If the President and Board of Trustees by such proceedings sells less than all of the Bonds herein authorized, the President and Board of Trustees shall, at their discretion in such resolution select and establish from the maximum amounts of Bonds due as set forth herein, such lesser amounts to be due and so subject as shall be necessary in consideration of the lesser amount of Bonds to be issued.

Section 17. Use of Proceeds, Expense Fund, Construction Fund (1986). The proceeds derived from the sale of the Bonds shall be used as follows:

(a) Accrued interest together with capitalized interest, if any, shall be credited to the Bond and Interest Account.

(b) Up to \$..... of the proceeds of the Bonds shall be deposited into a separate fund, hereby created, designated the "Expense Fund" to be used to pay expenses of issuance. Disbursements from such fund shall be made from time to time upon the direction of the President and Board of Trustees. Any excess in said fund shall be paid into the Construction Fund (1986) hereinafter created in this Section after six months from the date of issuance of the Bonds.

(c) The remaining funds shall be set aside in a separate fund hereby created and designated as the "Construction Fund (1986)," which shall be deposited in a bank or banks to be hereafter designated by the President and Board of Trustees. Money in said fund shall be withdrawn from time to time as needed for the payment of costs of the Project and paying the fees and expenses incidental thereto not paid out of the Expense Fund and said money shall be withdrawn from the depository from time to time by the Treasurer of the Village only upon submission by him to said depository of the following:

(i) If such withdrawal of funds by the Treasurer is for payment to a supplier, materialman, or contractor for work done in connection with the Project, a certificate executed by the engineer in charge of the construction of the Project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by him, the amount due and payable thereon, and the amount remaining to be paid in connection with the Project; and

(ii) A duplicate copy of the order signed by the President and Village Clerk, or such other officer(s) as may from time to time be by law authorized to sign and countersign orders of the Treasurer of the Village, stating specifically the purpose for which the order is issued and indicating that the payment for which the order is issued has been approved by the President and Board of Trustees.

Within sixty (60) days after full depletion of the Construction Fund (1986) or payment of all costs of the Project, as herein referred to, and as heretofore approved by the President and Board of Trustees, the Treasurer shall certify to the President and Board of Trustees the fact of such depletion or the engineer in responsible charge of the Project shall certify to the President and Board of Trustees the fact that the work has been completed according to approved plans and specifications, as applicable, and upon approval of such certification by the President and Board of Trustees, funds (if any) remaining in the Construction Fund (1986) shall be transmitted by said depository to the Treasurer of the Village, and said Treasurer shall credit said funds to the Bond Reserve Account, or, if such account is fully funded, to the Depreciation, Improvement and Extension Account; and the Construction Fund (1986) shall be closed.

Funds on deposit in the Construction Fund (1986) may be invested by the Depository at the direction of the Treasurer in the same manner as provided in Section 13 (f) of this Ordinance for money in the Bond and Interest Account.

Section 18. Provisions a Contract. The provisions of this ordinance shall constitute a contract between the Village and the holders and registered owners from time to time of the Outstanding Bonds; and no changes, additions, or alterations of any kind shall be made hereto, except as herein provided, so long as there are any Outstanding Bonds.

Section 19. Arbitrage. The proceeds of the Bonds shall be devoted to and used with due diligence for paying the costs of the Project.

The President and Board of Trustees certifies and covenants with the purchasers and holders and registered owners of the Bonds from time to time outstanding that moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 103 (c) of the Code, and any lawful regulations promulgated thereunder, including Treas. Reg. Sections 1.103-13, 1.103-14 and 1.103-15 (1979) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The President and Board of Trustees reserves the right, however, to make any investment of moneys on deposit in any fund or account in connection with the Bonds permitted by state law, if, when and to the extent that said Section 103 (c) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of an attorney at law or a firm of attorneys of nationally recognized standing in matters pertaining to tax-exempt bonds, affect the Tax Exempt status of interest on the Bonds.

The officers of the Village are hereby authorized and directed to make such further covenants, estimates, representations, or assurances as may be necessary or advisable to the end that the Bonds not be arbitrage bonds as aforesaid.

Section 20. Registered Form. The Village recognizes that Section 103 (i) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be Tax Exempt. In

this connection, the Village agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 21. Rights and Duties of Bond Registrar. If requested by the Bond Registrar, the President and Village Clerk of the Village are authorized to execute the Bond Registrar's standard form of agreement between the Village and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Subject to modification by the express terms of any such agreement, such duties shall include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

(b) to maintain a list of registered owners and addresses as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law;

(c) to give notice or redemption of Bonds as provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the Village at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the Village at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Village Clerk of the Village is hereby directed to file a certified copy of this ordinance with the Bond Registrar.

Section 22. Publication. This Ordinance, together with a notice in the statutory form, shall be published once within ten (10) days of passage hereof by the President and Board of Trustees in the Gurnee Press, being a newspaper published in and having a general circulation in the Village, and if no petition, signed by electors numbering fifteen percent (15%) of the number of electors voting for President at the last preceding municipal election at which a President for the Village was elected (such 15% being 221 electors) and asking that the question of proceeding with the Project, as provided in this Ordinance, and the issuance of revenue bonds therefor, be submitted to the electors of the Village, is filed with the Village Clerk of the Village within twenty-one (21) days after the date of publication of this Ordinance and said notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the Village Clerk to any individual requesting one.

Section 23. H.R. 3838 and Further Covenants and Representations Regarding Tax Exempt Status.

The Village acknowledges that on December 17, 1985, the United States House of Representatives adopted H.R. 3838 (in the form so adopted, the "Tax Bill"). The Village further acknowledges that on March 14, 1986, the Chairman of the House Ways and Means Committee, the Chairman of the Senate Finance Committee, the Secretary of the Treasury, and the ranking minority members of said committees issued a joint statement (the "Joint Statement") endorsing the postponement, until the earlier of September 1, 1986, or the date of enactment of tax reform legislation, of the application of certain provisions of the Tax Bill to certain types of bonds, including the Bonds. The Village intends to issue the Bonds prior to the effective date referred to in the Joint Statement, making compliance with those provisions of the Tax Bill proposed to be postponed pursuant to the Joint Statement unnecessary if such postponement is enacted. The Village does not intend to comply with the provisions of the Tax Bill proposed to be postponed, but hereby covenants to comply with the provisions of the Tax Bill which are unaffected by the Joint Statement.

The Village covenants to use its best efforts to comply with the requirements and restrictions of any federal legislation enacted into law applicable to the interest on the Bonds, provided that the Village will be required to use such efforts only to the extent that (i) compliance is consistent with the provisions hereof and with the other proceedings authorizing the Bonds and the laws of the State of Illinois; (ii) compliance is possible by actions of the Village subsequent to the enactment of such legislation; and (iii) there is a reasonable period of time within which to comply with such legislation.

Any officer of the Village is hereby authorized and directed to make such further covenants, estimates, representations, or assurances consistent with this Ordinance as may be necessary or advisable to the end that the Bonds are and remain Tax Exempt.

Section 24. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 25. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

PASSED by the President and Board of Trustees on June 30, 1986.

10 reasons why you should maintain and increase your newspaper advertising when business is slow.

1. Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.

2. In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information about products, services, prices and values. The best source is newspaper advertising. Yours—or somebody else's.

3. Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with very other retailer in town, no matter what he or she sells. People have only so many dollars to spend and if they don't spend them for what you sell they'll spend them for something else.

4. There are more people working now than ever before. More women working, too, adding to the family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share—and yours.

5. You can't do much about most factors in the marketplace: rent, labor cost, price or merchandise, what the competition will do. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.

6. Remember how long it took you to get started? Once you build up a business, you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.

7. Your advertising is part of your sales force. Newspaper ads help to pre-sell the customers and help you close the sale faster. What saves you time saves you money.

8. You say your customers know you and for a while at least they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember, one out of five Americans moves every year. So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.

9. Here's a hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.

10. Advertising is "news" — about products and services. Your customers look for this kind of news in the pages of Lakeland Newspapers. In plush times, retailers often experiment with other media. But when the going gets tough, they concentrate their efforts in the newspaper because it provides an immediate payoff at the cash register.

CALL YOUR LAKELAND NEWSPAPERS' ADVERTISING REPRESENTATIVES. WE'LL HELP YOU PLAN A PROGRAM THAT WILL PAY DIVIDENDS IN ADDITIONAL STORE TRAFFIC AND INCREASED SALES.

Dining/Entertainment

Hawthorn Plans Summer Concert

For those who are looking for a perfect way to spend a summer evening, Hawthorn Center's Summer Concert Series is ideal. Beginning Thursday evenings, July 10, 17 and 24 at 9:15 p.m., anyone can attend a free concert, outdoors under the stars. The "Music Under The Stars" series features upbeat swing, cool jazz and favorite contemporary hits by top-name talents such as: July 10, Woody Herman and his "Thundering Herd;" July 17, The Kingston Trio and on July 24, The Glenn Miller Orchestra.

Chairs are provided or people are welcome to bring their own. There's plenty of free parking. Everyone is invited to come early and

Woody Herman

spend part of the evening shopping in the cool indoors at Marshall Field's, Lord and Taylor, Sears and 155 specialty stores.

Hold Dance Party

The Midwest Singles Assn. invites all singles to an open dance party at 7 p.m., Sunday, July 6, at the Stouffer Oak Brook Hotel, 2100 Spring Rd., in Oak Brook. Admission is \$5. For more info, call (312) 282-8828.

Plan 1986 Lake Geneva Classic Rally

The Ninth Annual Lake Geneva Classic Car Rally tour, "According to Hoyle" to benefit children's cancer research, is planned for Saturday and Sunday, Sept. 27 and 28 in Lake Geneva.

The unusual event is sponsored by the Corinne Kreissl Memorial Foundation, Inc., with the cooperation of the American Cancer Society, Geneva Lake Area Chamber of Commerce, Lake Geneva Rotary Club and Walworth County CB Radio Club and

Americana Lake Geneva Resort.

This year, as last year, a two day event is planned. Participants can tour around Geneva Lake on Saturday or Sunday stopping in five zones around the lake at participating stops. Saturday participants need not attend Sunday event, to be eligible for rally participation prizes.

The classic car rally will again feature a "Grand Car Show Finale" at the

Americana Lake Geneva Resort Ski Chalet on Sunday at noon. Prizes, trophies, consolation prizes and dash plaques to participants will be awarded at 2 p.m., after winners for both days are determined.

Last year's event brought over 400 classic, antique and special interest vehicles and raised almost \$12,000 for the

American Cancer Society. Since the event was originated in 1978, almost \$60,000 has been raised for childhood cancer research, in memory of Corinne Kreissl.

For further information contact: Classic Car Rally, P.O. Box 732, Lake Geneva, WI. 53147, or call (414) 248-4416 or (414) 248-3536.

GOP Golf Outing Set For July 9

The McHenry County Republican Central Committee will host its 28th Annual Republican Golf Day on July 9.

Al Jourdan, chairman of the central committee, has announced that he expects Congressman Philip M. Crane, Gov. James Thompson and Sec. of State Jim Edgar to attend.

Golf and dinner will be

available at both McHenry County Club and Chapel Hill Country Club. Both locations will feature a steak fry and door prizes. Prizes will also be awarded for golf scores.

For additional information, or to order tickets, contact any Republican committeeman or call the central committee office at (815) 459-8185.

INDEPENDENCE DAY

America Declared Her Independence on July 4th, 1776

On this day, in 1776, the Continental Congress signed into being our Declaration of Independence from Great Britain. Its opening statement began... "We hold these truths to be self-evident. That all men are created equal. That they are endowed by their creator with certain inalienable rights. Among these are life, liberty and the pursuit of happiness." Let us reaffirm those words now, as we celebrate the two hundred and tenth birthday of our nation, pledging continued faith in this commitment to freedom for all, for the benefit of all. **HAPPY BIRTHDAY, AMERICA!**

This message for a safe holiday is sponsored by these fine Lakeland area businesses

Miss Antioch Hopefuls

Wonderful Life

(Continued from Page 1A)

In 1892, Dan Head & Co. had a bank in Kenosha. Banks were not regulated then as they are now. With \$25,000 and a little initiative, a man could hang up a sign and start a bank. That year, the Kenosha bank opened a branch in Antioch. In 1894, the Kenosha bank got in trouble. The trouble got worse when the man who ran the Antioch branch took that bank's money and records with him on a one-way trip to Minneapolis, Minn.

Bill Brook's grandfather and namesake, William Edward Brook, was a farmer in Burlington, Wis. at the time. Short on neither cash nor initiative, the grandfather took a train to Minneapolis and got the records, though not the money, back. Upon his return, the grandfather (who had no intention of giving up his farm), got hold of his son, James Earnest Brook (Bill Brook's father), who was a freshman at the University of Wisconsin, and told him that he was now a banker and would have to leave college.

The father came home to Burlington and began his life as an Antioch banker. He would leave home at 4 a.m. every morning and take either a horse-drawn buggy or a milk-train in order to be at the bank sometime around 8 a.m. Either way, it was a four-hour trip because the milk-train stopped at every crossing to replace the farmers' empty milk bottles with fresh ones.

It was in Antioch that the father met the woman, Gertrude Smart, who would become his wife. Smart was a second generation of the Simmons family, which, in 1841, had homesteaded the farm where the Country House is now.

The father moved to Antioch after his marriage to Gertrude and, for the early years of this century, the Brook Bank prospered. In 1907, the State Bank of Antioch opened and was the only local competitor to the Brook Bank for 19 years.

In 1926, the State Bank was up for sale. A group formed to purchase it could not raise the money, so the State Bank and Brook Bank merged to become the Brook State Bank. Shortly after the merger, the group which had wanted to purchase the State Bank got enough money together to start their own. Thus began what is now the First National Bank of Antioch.

Meanwhile, the young Bill Brook was fascinated with wildlife and the great outdoors. He attended the University of Wisconsin where he studied under the great Aldo Leopold, a pioneer in the field of wildlife management. Brook's ambition was to work in game management.

One of the programs the government adopted to help keep banks from going under was the creation of deferred certificates, which required that each depositor leave a certain percentage of his money in the bank until the bank could retire the certificate. Of course, many banks did not survive the depression, so the deferred certificates were never paid off.

When Brook graduated from college in 1937, he joined his father at the bank with the intention of beginning his true calling, game management, after the Brook State Bank's deferred certificates were retired. He did not plan on it taking five years, though.

"You spend a few years doing something and then discover one day that you have been doing it for a lifetime," Brook said. "I have enjoyed my life in the community, though: Antioch is a very special town."

Indeed, the community activities that Brook has not been involved in over the past 50 years are few and far between. Whether it's for the Rotary, the Exchange Club, the Lion's, the Lakes Region Historical Society, or any number of other organizations, he can always be counted on to hawk tickets and help organize things. One is more likely to see a kangaroo bounding up Main St. than to find an Antioch organization that does not list Bill Brook as a sponsor.

Although he has been active in Republican politics and his support is coveted by politicians throughout the county, the highest public office Brook has held himself is as a member of the Lake County Regional Board of School Trustees. He served for 15 years as a member of the Antioch High School Board before that.

Forty-nine years ago, when he was fresh out of college, the strength of the Republican and Democratic parties in Antioch were just about equal.

"We made kind of a game out of it to keep getting more Republican votes out every election," Brook said. "I never ran for any major office, myself, because I was involved

in a lot of community projects and, besides, I wasn't interested in what I could do for me: I have always been interested in what I could do for my community."

Obviously, Brook and his contemporaries were successful in building the strength of the Republican party. Many in Antioch also credit him with playing a crucial role in shaping the village into what it is today.

Thirty years ago, his passion for the outdoor life led him to become a founder of the Northern Illinois Conservation Club (NICC).

"We started holding meetings in the old Channel Lake Grade School," he said. "Then we got a lease on a ramshackle building over by Steve's Channel Inn. All the members and their wives got involved in fixing it up. We had a nice clubhouse there for a while, but we lost our lease and moved to where we are now."

A project that demonstrated just what sort of spirit the people of Antioch have was the swimming pool.

"The Lion's Club put that project together," Brook said. "Originally we sold bonds to finance it and for a while, we ran it. We weren't making enough money to support it, though. So we went back to the bondholders and asked if they would contribute their bonds. It was amazing, but all except two or three did it. You've got quite a community when you can get things like that done."

Unlike many Lake County communities, the people and political leaders of Antioch have a knack for setting political differences aside to get together on major community-wide projects.

"My most exciting year was when I was chairman of the bicentennial celebration in Antioch," Brook said. "We had parades and fireworks and something going on all the time."

"Building the Hiram Buttrick Sawmill was something great that came out of that year. We were sitting at a meeting talking about building a replica. Marilyn Sterbenz suggested that we could build a miniature and display it in the village hall. Well, one thing led to another and before you know it, we're planning to build a full-size replica on Sequoit Creek. The businesses in town got involved in helping to build the park around the site and we had people going up to Minnesota

to see how a sawmill is built. It was a lot of work, but everyone got involved and we got another historic site for the town. Actually, it was a lot of fun."

These days, Brook is an enthusiastic supporter of the Lakes Region Historical Society.

He continues to do much the same thing he has done for fifty years. On weekday mornings, he goes to his office at the State Bank of Antioch. Later, he will usually have lunch with friends or attend a meeting. He remains active throughout the community and when he isn't helping put some project together, he and his wife, Janet, enjoy their evenings together. His daughter, Ainsley, works at the Orchard Clinic in town.

In his seventh decade, Brook continues to add to a lifetime of accomplishments. He has hundreds of friends throughout the area and his family lives close to him.

"The only difference between now and when I was getting started is that my friends are all getting younger," he said.

It is a wonderful life.

Hansen Seeks To Expand

Hansen Marine Service of McHenry has applied for a permit to expand their marina

at 3112 W. Lincoln Rd. The plan calls for the construction of 14 piers on the east bank of the Fox River and the installation of a 196-foot extension to an existing floating pier located approximately 100 feet offshore.

Anyone who wishes to comment or object to the proposal should do so, in writing, before July 10. Comments should refer to

public notice number NCCCO-R 2808624 and should be addressed to: District Engineer, Attn. Regulatory Functions Branch, 219 S. Dearborn St., Chicago, 60604-1797.

For additional information, call Russell Light at (312) 353-8213.

Obituaries

Helen Kolian

Private funeral services for Helen Kolian, a Fox Lake resident for over 45 years, were held in Arlington Heights.

Mrs. Kolian died on June 21 at St. Therese Hospital in Waukegan.

Survivors include one son, George (Lois) Kolian of Fox Lake; one daughter, Delores Nielsen of Arlington Heights; four grandchildren; and two great-grandchildren.

She was a librarian at the Fox Lake Library for many years and had started the library at Shady Lane Elementary School.

Dale Kiesgen

Funeral services for Dale C. Kiesgen, 62, of Lake Villa, were held on Monday, June 30, at the K.K. Hamsher Funeral Home in Fox Lake (in the chapel on the lake).

Mr. Kiesgen died on Friday, June 27, at his home. He was born on June 18, 1924 in Chicago.

Survivors include his wife, Carolyn "Lynn" Kiesgen (nee Reith); one son, Dale W. (Debbie) Kiesgen of Lake Villa; three daughters, Linda (Bill) Irish of Richmond, Jane (Jim) Nicholson of Zion and Karen Kiesgen of Lake Villa; two grandsons; two granddaughters; one brother; and many nieces, nephews and other relatives. Interment was private.

Walter Heimsoth

Funeral services for Walter F. Heimsoth, 66, of Antioch, were held on Sunday, June 29, at the Strang Funeral Home in Antioch.

Mr. Heimsoth died on Thursday, June 26, at Rush Presbyterian St. Luke's Hospital in Chicago. He was born on July 13, 1919 in Chicago, and had lived in Antioch since 1960.

Survivors include one son, Richard (Mary) Lah of Chicago; one sister; one brother; and three grandchildren.

Interment was private.

Florence Krause

Funeral services for Florence "Beatrice" Krause, 68, of North Chicago, were held on Friday, June 27, at Victory Memorial Hospital in Waukegan.

Mrs. Krause died on Friday, June 27, at Victory Memorial Hospital in Waukegan. She was born on Feb. 2, 1918 in Waukegan, and had been a lifelong resident of North Chicago.

Survivors include her husband, Fritz C. Krause; three daughters, Florence (Lawrence) Spero of Waukegan, Therese (John) Anderko of California and Sharon (Wayne) Bower of Gurnee; one son, Fritz C. (Mary) Krause of Knollwood, Ill.; six grandchildren; five sisters; one brother; and many nieces and nephews.

Interment was at North Shore Garden of Memories in North Chicago.

Edwin Hurt

Funeral services for Edwin A. Hurt, of Antioch, were held on Monday, June 30 in Berwyn, Ill.

Survivors include one brother and two nephews. Entombment was at Bohemian National Cemetery.

Marion Klein

Funeral mass for Marion P. Klein (nee Petersen), 74, an Ingleside resident for the past 40 years, was held on Monday, June 30, at St. Bede's Catholic Church in Ingleside.

Mrs. Klein died on Friday, June 27, at the Northern Illinois Medical Center in McHenry. She was born on July 14, 1911 in Chicago.

Survivors include her husband, William J. Klein; one daughter, Janet (Patrick) Devine of McHenry; one grandson; one granddaughter; one great-grandson; one great-granddaughter; one brother; and many nieces, nephews and other relatives.

Thomas Dyson

Memorial services for Thomas N. Dyson, 55, of Antioch, were held on Monday, June 30, in the chapel at St. Therese Hospital in Waukegan.

Mr. Dyson died on Wednesday, June 25, at the Star Hospice, St. Therese Medical Center. He was born on May 2, 1931 in Chicago, and had lived in the Antioch area for most of his life.

Survivors include his wife, Wilma; two sons, Thomas J. of Park City and Jeffrey S. of Antioch; one daughter, Tami S. of Antioch; his father, Norman (Ann) Dyson of Kentucky; two sisters; two grandchildren; and several nieces, nephews and other relatives.

Interment was private.

William Vanscyoc

Funeral services for William E. Vanscyoc, 60, of Round Lake Park, were held on Friday, June 27 in Missouri.

Mr. Vanscyoc died on June 24 at his home. He was born on July 1, 1925 in Missouri, and had been a resident of Round Lake Park since 1963.

Survivors include four daughters, LaDonna (Willard) Uttentruth of Oregon, Sharon (Robert) Abbott of Round Lake Beach, Niquett (Robert) Roberts of Round Lake Beach and Shirley (Jerry) Falkner of Missouri; two sons, Steven (Mary) of Round Lake Beach and Scott (Susan) of Round Lake Beach; 17 grandchildren; five sisters; and his parents, Robert and Ruby Vanscyoc of Missouri.

Interment was at Duck Creek Cemetery in Missouri.

Robert Shea

Funeral services with Mass of Christian Burial for Robert Shea, 76, of Newport Twp., were held on Monday, June 30 in Benet Lake, Wis.

Mr. Shea died on Friday, June 27, at his home. He was born on July 12, 1909 in Newport Twp., and had been a lifelong resident.

Survivors include two sons, John T. Shea of Newport Twp. and Patrick of Benet Lake; one brother; one sister; and one grandson.

Arrangements were made by the Strang Funeral Home in Antioch.

Catherine Matthisen

Funeral mass for Catherine M. Matthisen (nee O'Neill), 72, of Lake Villa, was held on Thursday, May 26, at St. Joseph's Church in Round Lake.

Mrs. Matthisen died on

Monday, June 23, at Condell Memorial Hospital in Libertyville. She was born on June 13, 1914 in Chicago, and had lived in Lake Villa for the past two years.

Survivors include one daughter, Mary (Gabriel) Grantschnig of Lake Villa; one sister; four brothers; and two grandchildren.

Interment was at Sepulchre Cemetery in Worth, Ill.

Douglas MacGillis

Funeral services for Douglas A. MacGillis, 58, of Round Lake, were held on Tuesday, July 1, at MacGillis Funeral Home in Round Lake.

Mr. MacGillis died on Friday, June 27, at Lake Forest Hospital in Lake Forest. He was born on July 20, 1927 in Wisconsin, and had been a resident of Round Lake since 1954.

Survivors include his wife, Karmena; two sons, Douglas A. (Dawn) MacGillis of Missouri and Daniel A. MacGillis of Round Lake; one sister; one niece; and one nephew.

Dietary Fats Contribute To Elevated Blood Count

Question: What foods should be avoided when triglyceride blood level is elevated? Question submitted by T.R. of Wildwood.

Answer: Triglycerides are a form of cholesterol produced by the liver. Dietary fats contribute to elevated blood cholesterol and triglycerides. Recent research shows that

elevated triglyceride levels.

Dietary fats to avoid include all fried foods, red meats, processed foods with hydrogenated oil, shell fish and whole fat dairy products. The dairy products include cheese, ice cream, sour cream and milk.

Natural unsaturated fat foods such as avocado, butter, olives and nuts may need to be limited. Alternative foods include fish, skinless chicken and turkey, low fat dairy products and unrefined (unprocessed) vegetable oils.

Recent studies have shown that cold water mammal oil is beneficial in lowering both cholesterol and triglyceride levels. This oil is available in supplement form at health food stores and naturally in such foods as salmon. Also, daily exercise, especially gradual circulatory exercise, is a most beneficial aid in lowering cholesterol and triglyceride levels. If a person is overweight, the blood levels of cholesterol and triglyceride may decrease with weight loss.

Increased triglyceride levels can be corrected with other health conditions and should be checked frequently. Conditions such as diabetes and alcoholism, are often contributing factors to increased triglyceride levels.

Pat D's Nutrition Today

Pat DeAngelis is a nutrition consultant to American International Hospital, Zion. Readers with questions about the food and liquid they consume are invited to address questions to Pat D's Nutrition Today, Lakeland Newspapers, P.O. Box 268, Grayslake, Ill. 60030.

inability to metabolize sugars aids in increasing blood triglyceride levels.

Therefore, dietary overload in refined sugars, which are difficult to metabolize, or an increased total intake of sugars (natural, refined and alcohol) may contribute to

Council Has Proper Funding

Denise Twardy Charts, who chairs the Private Industry Council of Lake County (PIC), has announced that the council will have \$1,490,892 during the 1986-87 funding year to provide training and job placement for Lake County residents.

Private Industry Council programs are offered at no cost to eligible unemployed persons who lack the skills to qualify for existing employment opportunities. Funding comes from the

federal government through the Illinois Dept. of Commerce and Community Affairs.

Explaining the council's plans, Charts, who is personnel director at Outboard Marine Corporation, says, "Over 100 Lake County workers will be placed in on-the-job training positions and their employers will receive reimbursement for the training given in the plant, office or shop."

Sixty young workers under the age of 21 will have the opportunity to "try-out" work in their chosen fields with the PIC, providing the employer with 250 hours paid time.

Six-hundred persons will benefit from classroom training in English language, GED preparation, remedial education or various vocational subjects including medical office work. Classes are conducted

by the Lake County Urban League, the Illinois Migrant Council, SER and the College of Lake County. Twenty low-income persons will be trained in typing and office skills at the council's headquarters. Plans also include job preparation and placement assistance for 170 ex-offenders.

Offices of the Private Industry Council are located at 415 Washington St., Waukegan.

GOP Golf Outing

Republican candidates (from left) Matt Miholic, for Lake County board, Dist. 2; Donna-Mae Litwiler, for Lake County clerk; Sen. Adeline Geo-Karis, for State comptroller; Sheriff "Mickey" Babcox, for reelection; and John Bobel, for State Rep., 61st Dist., are getting ready for the Lake County Republican Central Committee's annual golf outing and dinner to be held July 18 at Midlane County Club. "Make your tee-off time

and reserve your golf cart early by calling the pro at Midlane, (312) 244-1990," County Chairman Bob Neal said. He went on to say that 220 golfers would be playing at Midlane and the overflow would be sent to Brae Loch. Tickets to the golf outing are \$40; dinner tickets only, \$25, and either may be obtained from Republican precinct committeemen or at Republican headquarters, 128 N. Genesee St., Waukegan.

Bank Donates To Youth Program

The American National Bank of Libertyville recently donated \$150 to the Lake County Forest Preserve District's Youth Conservation Corps Program (YCC).

The YCC Program provides eight weeks of full-

time summer employment for Lake County high school students. The salaries for the students are paid through donations from corporations and private individuals.

The YCC Program was federally funded until 1981 and since then has continued

through fundraising efforts of the YCC Advisory Committee. The Committee is comprised of representatives from contributing companies.

Donald Strenger, President of the Lake County Forest Preserve Dist.

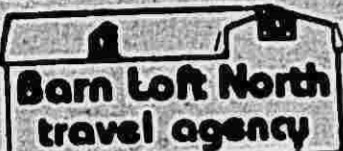

thanked American National Bank for the contribution. "Their sustaining support helped to insure this year's program. The additional assistance of promoting the program through the Bank's 'Coupon of the Month' helped immensely."

Telephone rates will be reduced for most Illinois Bell customers in northeastern Illinois, under a rate restructuring approved by the Illinois Commerce Commission.

Under the newly-approved plan, most residence callers will be able to talk as long as they like on calls made

The plan will not increase Illinois Bell revenues. Depending on local calling habits, some callers will see rate decreases and others will see increases.

In general, suburban customers will see their local bills decrease about 50 cents, even though their line charge will increase by \$1.97. The average Chicago

Implementation of the new plan will be delayed until February 1987, giving Illinois Bell time to notify customers individually about how the changes will affect their monthly bills. Beginning in December, all residential and some business customers will receive a four-month analysis of what they actually paid for service and what they would have been charged for service under the new plan.

Under Illinois Bell's present rate plans, people

Residence calls to places outside a customer's local calling area—as well as all business calls—will be billed in message units, based on their frequency, duration, distance and time of day the call is made.

The first 50 units by residential customers during a month will be charged at 5.2 cents each. Discounts will increase up to 33 percent

Line charge rates will not change for business customers, but calls will be charged in one-minute increments--based on duration, distance and time of day--rather than the present system of charging most business calls in three-minute increments. Some suburban businesses and businesses within northeastern Illinois, but out-

Business calls made within an eight-mile radius of the customer's switching center will be charged at about three cents for the first minute and just over a penny for each additional minute. Volume discounts of up to 23 percent will be automatically applied to business customers' monthly bills.

Shimer College summer session is offering a special class to study the dialogues of Plato. The class will be held in the Board Meeting Room of the Waukegan Harbor Control Building overlooking the sun and waves of Lake Michigan.

For more information and registration information on Shimer Summer Session please call Bobbie Groth, Admissions Planning Committee, (312) 623-8400.

BRING US YOUR SKILLS

Our growing group of Illinois and Wisconsin Newspapers has several opportunities open now in a fast-paced, exciting field.

Part-Time Pasteup Artist

We are looking for part-time pasteup artists in the Production Department. Training in our system is available to the right person.

Typing experience is helpful, but not necessary. The person we are seeking must be dependable. Lakeland offers a full range of company benefits including profit sharing

Contact Will Lonergan
Production Manager

Editorial Stringers

Editorial stringers are needed to cover the Lakeland area. Must have Journalism degree or prior newspaper writing experience. Work includes covering Municipalities as well as other news events. Must be able to work evenings. For more information:

Contact Mike Pramshafer
Asst. Managing Editor

Retail/Display Advertising Sales

Lakeland Newspapers is looking for a uniquely qualified person for our sales department. The applicant must be a self-motivator, highly organized and very dependable. This job will involve sales calls outside the office.

The applicant must demonstrate skills in interpersonal communications, creativity and personal responsibility. The applicant will work with a minimum amount of supervision. Since this position involves making contacts outside the main office, a car is necessary and mileage compensation will be made.

This job is not an easy one, but if you are persistent, outgoing, dependable, responsible and organized, you will be a success.

Contact Bill Schroeder Jr.
Marketing Manager

Office Position

We are seeking a mature person to handle telephone sales and reception duties in our North Chicago office. This is a full time position requiring accuracy and dependability. Experience not necessary, but a pleasing personality and good telephone manners are required.

Contact Hugh Jones
Classified Manager

This Week's
Business Spotlight
Trust Alpha Christian
With Care Of Loved One

Looking for someone to provide care for a special loved one? Alpha Christian Registry employs nurses and nursing assistants to give private duty nursing care to patients at home, in the hospital or in a nursing home. When a person needs nursing care, one of two nursing coordinators makes a visit at no charge to determine the person's care requirements and select the staff most qualified to meet these needs. Service provided may range from four to 24 hours per day. Continuity of care to the patient is stressed by limiting the number of staff personnel involved with an individual. Nurses with expertise in all specialty areas are available—even tracheotomy, ventilator, chemotherapy and other critical care patients can be cared for at home. Alpha arranges for all specialized equipment and supplies and handles all the paperwork connected with any insurance billing. Alpha is approved by all major insurance companies, and is licensed by the Illinois Dept. of Public Health. Alpha's nurses and nursing assistants are particularly experienced in rehabilitation nursing, acute care, short-term recuperation, chronic illness and care of the handicapped and disabled of all ages. Alpha nurses take the time to listen to the patient and can help patients and family face terminal illness and other psychologically difficult situations. Regardless of a patient's beliefs, the Alpha staff can help with spiritual needs. Each employee is interviewed, carefully screened, and licenses and certificates are checked. Two written references are obtained before assignment. Trained staff are in the office 24 hours a day, seven days a week, including holidays. A registered nurse coordinator is on call 24 hours a day. Melba Cassel RN and Katherine Griesser RN, operate the Arlington Heights office which serves the northern Chicago area, the north and northwest suburbs of Cook and Lake counties. Owned by Marjorie Beschauer RN, the business was established in 1979. The office is located at 1450 S. New Wilke Rd. in Arlington Heights. Business hours are 8:30 a.m. to 5 p.m. Northern and central Illinois as well as southern Wisconsin, are served by 11 other Alpha Christian Registry offices.
